RECYCLING GUIDE

As you enter the grounds of the Transfer Station-Recycling Center and take a right, the first section you pass is reserved for recyclable materials. Here's a handy guide to make you aware of what recycling opportunities are available to Windsor residents.

PAPER

Newspaper, Magazines, & Catalogs. A container is provided for newspapers, magazines, and catalogs which can remain loose when deposited.

Mixed Paper may contain any of the following: Brown Kraft Paper(brown paper bags), letters, folders, flyers, envelopes, white or colored paper, computer paper, photocopies, NCR paper, calendars, brochures, canceled checks, adding machine tapes, cereal boxes, egg cartons, shoe boxes, milk cartons, drink boxes.

NO FOIL, RIBBON, PLASTIC OF ANY KIND, INTERLEAF CARBON PAPER, GLITTER.

Corrugated Cardboard is double-sided with a zigzag center. Please flatten boxes and keep them dry and clean.

Phone Books. Remove covers (place in mixed paper) and recycle the book pages with newspapers.

GLASS

Clear, Green and Brown Glass jars and bottles are accepted only. Each should be rinsed clean and sorted by color, placed through the proper window at the Recycling Center. Lids should be removed. Labels do not need to be removed.

WINDOW GLASS, DRINKING GLASSES, COOKING PLATES, OR LIGHT BULBS ARE NOT ACCEPTED.

PLASTICS

 # 2 Colored Plastic, #1, #3, #4, #5, #6 & #7 (chasing triangle with # inside)

Bins are clearly marked for recycling.

Rinse clean and separate by color into bins at the Recycling Center.

NO MOTOR OIL CONTAINERS OR PLASTIC BAGS.

Milk jugs need to be rinsed clean and placed in the bin provided.

METAL

Tin Cans (no drink cans). Rinse clean, and flatten to cut down on space. **Place in barrels provided.**

Think REDUCE when you shop. Reduce the amount of packaging you buy and avoid plastic whenever possible.

REUSE... the possibilities are limited only by your imagination!

RECYCLING Saves Money and Resources. Your efforts are sincerely appreciated.

Town of Windsor, Maine

TRANSFER STATION and RECYCLING CENTER

Used by Windsor Residents & Businesses Only

The Transfer Station-Recycling Center is intended for the sole use of Windsor residents and businesses and accepts trash and recyclable materials from only the residents and local businesses.

For truck loads, and vehicles containing more than usual amounts, please see scale attendant.

Vehicle Stickers

Vehicles using the Transfer Station must display a Transfer Station-Recycling Center sticker affixed to the windshield. Stickers are available at the Town Office or the Transfer Station and cost five dollars **($5.00).**

NO CHARGE FOR RECYCLING!!

Any materials presented for recycling are at no cost.

SOME MATERIALS NOT ACCEPTED

Hazardous materials and some flammable liquids will not be accepted.

Check with the attendant before leaving any questionable materials or liquids.

Brush and Wood

The Transfer Station accepts brush and natural wood. ***Wood containing metal or glass is considered construction debris and should not be disposed of in the brush pile***. An area apart from trash collection and recycling has been designated for brush and wood. The charge for brush and wood deposits are as follows:
10c per pound

Speed Limit - 5 MPH

The space for depositing household trash and items for recycling is small and there may be many users present at any one time. Please drive carefully and at a slow speed when on the grounds of the Transfer Station. A maximum speed of 5 miles per hour is recommended.

User Fees

To help defray the tax burden associated with the Transfer Station and encourage use of the Recycling Center, the voters authorized the Town Selectmen to institute user fees for disposal of most trash items.
