2016-2017 Annual Town Report

Town of Windsor

Dedication

Town Officials and Citizens of the Town of Windsor wish to dedicate this year's Annual Report in memory of Carol Anne Eckert.

Carol was born on October 13, 1953 and left this world on October 13, 2016, her 63rd birthday, from injuries received three days earlier in a bicycling accident in her hometown of Windsor.

Carol gave of herself to many volunteer and non-profit organizations and was an active citizen for Windsor. She served on the Windsor School Board, the Conservation Committee, and participated in many town meetings, at which she asked questions to ensure that everyone understood what was being proposed. In addition, Carol was a devoted mother, beloved wife, and a caring and compassionate doctor. Carol's life made a positive difference in the world around her and she will be missed dearly.

The Board of Selectmen and Town Employees would like to say
“Thank You, Carol.”

Selectmen's Report

The Board of Selectmen are pleased to report the following improvements for the benefit of the Town of Windsor.

The Board continued to focus our efforts to improve the Town's roads. There were a number of roads that were ground and based paved in Town this year (see the Road Supervisor/Road Commissioner Report for more details).

This year the Town finished installing the new compactor and paved the Transfer Station yard. The large scales have allowed the Town to accurately measure the weight being accepted while offering large volume services.

The Town has put into service the wheeler truck and the 2.5 ton truck plowing snow, the First Responder Unit and the pumper Fire truck to support the residents of the Town. The Town is looking to purchase a utility truck for the Fire Department with capital reserve funds and donations towards that cause. This truck supports the air supply filling system, area lighting and needed equipment support gear.

Local contractors will be replacing the front porch, adding an electronically controlled sign and relocating the hallway kitchen area to a more suitable location at the Town Office. The Town paved the area between the Town Hall building and the Food Bank.

As always, we welcome visitors to our regularly scheduled Selectmen meetings every other Tuesday night. The schedule is available on the town website for everyone to review at www.windsor.maine.gov. For the latest Town News please check out the "*The Hub*" on the above web site.

The Board of Selectmen want to thank all those involved with the business of supporting the Town. There are too many to name without missing your contributions, but we deeply appreciate the citizens of Windsor and all that they do to help this community.

Respectfully submitted,

Town of Windsor Board of Selectmen

Town Manager's Report

The past year, the Board of Selectmen and I have worked together to implement the wishes of the voters of the Town. I would like to thank the dedicated Board of Selectmen, Employees, Budget Committee, Fire Department, Rescue Department, Cemetery Committee, Transfer Station Committee, Windsor Days Committee, Planning Board, Board of Appeals, The Windsor Educational Foundation & Reed Fund, RSU #12 members and Volunteers for their hard work and enthusiasm for the Town. Every one of us takes pride in what we do and are always looking out for our citizens in the Town. I am very fortunate to have such dedicated individuals and am always looking forward to working with them.

TOWN OFFICE - We are in the process of having the main front porch replaced and we have had the parking lot base paved. We are in the process of purchasing the electronic sign and will have that installed out in front of the new porch and then the parking lot will be overlaid. This will be a great improvement for the look of the Town Office.

TRANSFER STATION – The large scales are up and running. If you have a large amount of Municipal Solid Waste, Construction Debris, Brush or other items that need to be thrown away, please enter onto the large scale. You will be weighed and then when you drop off your items in the appropriate place you will go back on the large scale and be weighed again. The difference in weight is what you will be charged at a \$0.10 per pound. Both Municipal Solid Waste compactors are up and running. This will save the Town money on transportation because we are now able to haul the can when it is full instead of being partially full. The Transfer Station/Public Works area has been base paved and will be overlaid soon.

PUBLIC WORKS - The Public Works Department works very hard in keeping the roads safe to travel throughout the winter. DOT plows and maintains Route 32 and Route 17. The Town of Windsor plows Route 105 in the winter and DOT maintains this road in the summer. If the voters approve we will be looking to do more Major Road Construction projects this summer which includes paving, shimming, crack sealing, shoulder work, ditching, brush cutting and replacing culverts. We are responsible for 32.88 miles of roads. Depending on pricing we are looking to work on the following roads; Doyle Road, Maxcy's Mills Road, Greeley Road, Pinkham Road, Tyler Road, Twenty Rod Road, and Wingood Road.

FINANCIAL CONDITION – The Town of Windsor ended the fiscal year in June 2016 with a sound financial condition, with increased revenue, good budget control, and expenses that came in under budget. We have in our Unassigned Fund Balance enough to cover over five months' worth of expenses which is over the auditor's recommended amount of at least three months. Again, it has been my pleasure and honor to be your Town Manager and to work beside so many talented volunteers and employees in the community. Please let me know if I can serve you better. I strive to do the best job that I can for the Town and I am pleased and honored to be part of, and have lived in my whole life.

Respectfully Submitted,

Theresa L. Haskell
Town Manager

Public Works Report

Theresa and Keith would like to thank the Public Works Workers for their dedication and loyalty to the Town of Windsor. We had a very busy summer, fall and winter and look forward to a very busy spring. Please be considerate when driving by the Work Zones and slow down for the Flaggers and Workers within the Work Zone Areas. Safety comes first.

On June 15, 2016, the townspeople approved to have \$550,000.00 for Major Road Construction and \$205,055.00 to be taken out of the Unassigned Fund Balance for 1.3 miles of the Windsor Neck Road and 1.1 miles of the Weeks Mills Road.

We did the following this past year;

1. Jones Road - .16 miles of shim and 1.14 miles of Overlay.
2. Crosby Road - .47 miles of Overlay.
3. Baker Road - .40 miles of Overlay.
4. Hunts Meadow Road - .26 miles of Shim and .88 miles of Overlay.
5. Melaney Road - .25 miles of Overlay.
6. Shuman Road – 1.22 miles of Overlay.
7. Main Street - .08 miles of Overlay.
8. Reed Road - .69 miles of Grind/Reclaim.
9. Weeks Mills Road – 1.1 miles of Shim and Overlay.
10. Windsor Neck Road – 1.31 miles of Grind/Reclaim.
11. Wingood Road - .9841 miles of Shim and Overlay.
12. Windsor Neck Road – .3 miles of shim and 1.609 miles of Overlay.
13. Vigue Road - .2315 miles of Shim and .88 miles of Overlay.
14. Bean Road - .1278 miles of Grind/Reclaim.
15. Ingraham Road - .2320 miles of Shim and Overlay.
16. Doyle Road - .4 miles of Grind/Reclaim.

Within this next fiscal year (2017-2018) we are looking to ask for \$550,000.00 towards the following projects (Subject to change depending on budgets). This will also include replacing cross culverts and shoulder work.

1. Maxcy's Mills Road – Partially Grind from Route 32 to bottom of hill and Overlay 1.35 miles.
2. Greeley Road – Partially Grind from top of hill to Windsor Neck Road and Overlay 1.16 miles.
3. Pinkham Road – Grind/Reclaim .51 miles and Overlay .51 miles.

4. Doyle Road – Overlay .42 miles.
5. Tyler Road – Cut out and shim and Overlay in those areas.
6. Twenty Rod Road – Shim and Overlay .31 miles.
7. Adding more gravel to the dirt roads in areas.

The Transfer Station/Public Works Area and Town Office has been base paved and will have an Overlay put on soon. The Town Office front porch is being worked on and will be completed before voting day. The Board of Selectmen also approved the Electronic Sign which will be installed as soon as possible.

The Road Supervisor (Keith Hall) would like to thank all the winter drivers for their many hours of plowing this winter. He said they will be getting roads ready for the 2017 paving which includes changing culverts and ditching. The Greeley Road will be ground from the top of the hill to Windsor Neck Road and the Pinkham Road will also be ground. They will be adding gravel to the shoulders in June.

Please give us a call if you have any comments or concerns.

Town Clerk's Report

Angela T. Hinds

Citizens of Windsor,

It is my pleasure to serve the residents and greater communities of Windsor. I appreciate the support of the public and collaboration with our Town Manager, Select Board, fellow colleagues, departments, board and committee members, and election personnel.

The municipal clerk's office primary responsibilities include the care and preservation of municipal records. We record vital statistic information such as births, deaths, and marriages. Birth records from September 1995, death records beginning in 2011, and marriage records beginning January 1, 2017 are kept electronically in the State of Maine's DAVE system. The following is a fee schedule for these records:

Marriage License.....	\$40.00
Birth, Death, or Marriage Certificate.....	\$15.00
Each Additional Copy of Certificate.....	\$6.00

Hunting and fishing licenses, snowmobile, ATV, and boat registrations are also issued in the Clerk's office using Inland Fisheries and Wildlife's MOSES system. You must have proof of having held a previous hunting license or having taken a Hunter's Safety Course in order to purchase a Hunting license.

There were 559 dogs registered and 3 kennels licenses issued in 2016. Dogs 6 months or older that reside in Windsor for longer than 10 days must be registered annually by December 31st.

You must have a current rabies certificate in order to license your dog. You will also need to provide proof of spaying/neutering. A spayed/neutered dog license is \$6.00, and \$11.00 for an unaltered dog. We now offer on-line dog licensing, through the state's website at www1.maine.gov/cgi-bin/online/dog_license/index.pl. Please be aware that you must be able to submit your current rabies vaccination to us if requested when using the on-line licensing. Per state law, a \$25 late fee applies to any dog registration as of February 1st.

Please visit our website www.windsor.maine.gov for the most up-to-date information. Here you will find public notices, calendar of events, tax maps, meeting minutes, election information, office hours, and contact information.

The Town of Windsor does accept payments by debit/credit cards. There is a convenience fee of \$1.00 minimum, or 2.5% of the total balance. We do not at this time accept payment by phone.

The following page contains records of deaths and marriages from January 1, 2016 to December 31, 2016. There were 22 recorded births in the Town of Windsor.

Respectfully submitted,

Angela T. Hinds

Registrar of Voters

Angela T. Hinds

You may register to vote during regular business hours or at the polls by filling out a voter registration card. In order to vote you must be a citizen of the United States, a resident of Windsor, and eighteen (18) years of age. You must show proof of residency such as a Driver's License, current motor vehicle registration, hunting/fishing license, or any official document showing your current address. If you are planning to be out of town on election day, you may request an absentee ballot. The request must be made at least three business days prior to voting day, unless you have a special circumstance. Ballots will be available up to 30 days prior to an election

Voting is held upstairs at the Windsor Town Hall, 523 Ridge Road, Windsor ME. There is a lift available, just ask the staff for assistance if needed.

Currently there are 1,875 Registered Voters in Windsor. There are 452 Democrat, 664 Republican, 112 Green Independent, 3 Libertarian, and 644 Unenrolled.

I would like to thank the following people for their help and hard work during the elections this year. Whether you were a moderator, warden, ballot clerk, election clerk, deputy registrar, or even just helping set up booths, I really appreciate all you have done and are willing to do to help make our elections run as smoothly as possible. Thank you!

Cemetery Sexton Annual Report

Cemetery Committee Members:

Theresa Haskell, Town Manager
Richard Gray, Jr., Selectman
Thomas Reed, Committee Member
Bonnie Squires, Committee Member
Joyce Perry, Cemetery Sexton

Cemetery Activities for 2016:

Buried in Town Cemeteries	12
Buried in Veterans Cemeteries	6
Buried in Private Family Cemeteries	1
Buried in another town/or out of state	2
Unknown burial locations	8
2016 spring burials	7
2017 spring burials	2

The Committee has been very busy this year in implementing various projects in order for our Cemeteries to continue to be beautiful and attractive. Two of the major projects that were accomplished are as follows:

2016 Tree Removal and Maintenance of Windsor Cemeteries

- Memorial Center – Large limbs removed on two trees and limbs elevated behind spotlight.
- North Windsor Baptist Church Cemetery – 3 Large Maple trees removed; 1 large tree pruned and deadwood removed.
- Resthaven Cemetery – 2 small Oak trees removed; 1 large Maple tree removed; 2 large Maple's pruned and deadwood removed.
- Windsor Neck Cemetery – 1 large Oak tree removed.

2016 Stone Maintenance of Windsor Cemeteries

- North Windsor Cemetery - 16 stone repaired
- Oak Hill Cemetery – 3 Stones repaired
- Resthaven Cemetery – 6 stones repaired

We are continuing our efforts to contact families with shrubs or trees that have been planted around family stones that are over 6 feet tall and those that encroach onto other lots. For those that do not comply, within a reasonable amount of time, we will be removing these trees or shrubs in order to comply with our Cemetery Rules and Regulations. You can obtain a full copy of the Cemetery Rules by calling the Town Office or from the Town of Windsor website at www.windsor.maine.gov.

I want to thank the Cemetery Board Committee; the Public Work's Department; Town Manager and the Board of Selectmen for their continued dedication and support in helping to maintain and keep our cemeteries looking beautiful.

Respectfully Submitted,

Joyce A. Perry

Code Enforcement Officer's Report

January 1, 2016 to December 31, 2016

There were a total of 43 building permits issued in 2016. The permits included the following:

Single Family Homes	4
Mobile/Modular Homes	3
Remodeling	9
Commercial	1
Decks	4
Garages/Storage Buildings	13
Woodsheds	7
Porches	1
Barn	1
<hr/>	
	43

The number of permits issued has decreased from 2015. There were not as many problems in code enforcement but there has been an increase in the amount of yards that need attention because of littering and/or more than 2 unregistered and un-inspected vehicles.

Also, please remember that any building larger than 8'x8' or an assessed value of more than \$2000 in real estate taxes requires a permit.

If you have any questions or need a permit, please give me a call or meet me at the Windsor Town Office on Tuesday evenings from 6-7:00pm.

Plumbing Inspector's Report

January 1, 2016 to December 31, 2016

During the calendar year 2016, a total of 21 plumbing permits were issued to Windsor residents in the following areas:

	<u>Internal</u>	<u>External</u>
New Homes	4	4
Mobile Homes	4	2
Remodels	6	0
Replacement	0	1

All residents should be mindful that all plumbing, new replacements, internal and external, require permits *before* the work begins, and an inspection prior to completion. Failure to do so can result in penalties, additional fees, and possible denials.

Please feel free to contact me with any questions. Thanks you for your continued cooperation.

- Whitefield Fourth of July Parade

Windsor Firefighters also held the following fundraisers:

- Firefighters Toll Boot
- Annual Rabies Clinic
- Windsor Days 4th Annual Fire Dept. Craft Fair and “Take it or Leave it Game”
- Windsor Fire Dunk Booth and also provided public safety coverage during Windsor Fair
- Provided traffic control for the United Bikers of Maine Annual Toy Run

Training sessions are held twice each month to ensure compliance with OSHA and DOL standards. Members also have work sessions, generally once a month to work on vehicles and station maintenance. Also regular monthly meetings are every 3rd Tuesday of each month.

As always we appreciate the Town’s continued support of our Volunteer Department. We look forward to serving the community in 2017.

Windsor Volunteer Fire Department Fire & Rescue Unit

PO Box 106, Windsor, Maine 04363

Annual Report January 1, 2016 to December 31, 2016

To the Residents of the Town of Windsor,

We, the members of Windsor Rescue, are very pleased to report to the citizens of Windsor the Annual Report of Windsor Rescue. We continue to be active in both our rescue efforts and our community service. We averaged around 210+ EMS, Fire, mutual aid and community service calls this past year.

We continue our professional growth with our monthly training sessions, and invite our surrounding EMS partners to these programs, in the hope of expanding our knowledge and shared experience to enhance our learning opportunities.

Our specialized equipment is all certified and up to date. We are especially happy about the Defibrillator on our new suction unit. We are in high hopes of upgrading our AED this year

With our fund raising we try to keep our budget request to the town as low as possible, with the result of keeping the operation budget request to the same level as last year. Of concern to us last year was our rescue truck, which with the grateful generosity if the citizens of Windsor, we are now the proud owners of a Type III Rescue Truck, a 2015 Ford F 450 which has been in service since October 2015. It continues to be a great asset to our community.

I continue to encourage and invite any individual to visit us at our monthly meeting, and educational session to see what we do. In the hopes that by chance you might be interested in joining our group, we normally meet every 3rd Wednesday of the month at the fire station starting at 6:30pm. We are a small close knit group and very supportive of each other. Hope to see some of you soon. ***Remember it is with the help and volunteerism from our community that we will be able to continue to provide the emergency care that you all deserve and need.***

I remain your most humble servant,

Raymond J. Chavarie Jr. EMT-1
Director, Windsor Rescue

The Windsor Educational Foundation and Reed Fund

February 1, 2016 to January 30, 2017

The Windsor Educational Foundation and Reed Fund originally started by T. D. Reed as the benefactor and the money from the interest of this donation are to be distributed for the educational benefit of the students of Windsor. The meetings are quarterly on the second Monday of January, April, July and October at 6:00 p.m. at the Windsor Town Hall with the Annual Meeting being in January.

Within the past year, we changed over our Financial Advisor to Kennebec Wealth Management regarding the stocks so we will have better communication from a local source. The members voted to purchase a new Pro8400 projector and cage in the amount up to \$2,042.00 for the Windsor School. The members also voted to purchase SNAP circuits which is part of the STEM Acronym Program for the 2nd graders of Windsor Elementary School in the amount not to exceed \$450.00. The kits were estimated about \$42.00 per kit so they could get as many as 10 kits. The 2016 Annual Report was completed and filed.

During the Annual Meeting on January 23, 2017 the Board of Directors appointed its members.

2017 Assessors' Agent Report

Last year in this report I wrote about proposed changes to the Maine Homestead Exemption. State law was changed last year to increase the exempt amount to a \$15,000 value reduction for taxes assessed on April 1, 2016. Under the current law, for taxes assessed on or after April 1, 2017 the assessed value reduction will increase to a total of \$20,000 and taxpayers will see an increased benefit in this August's tax bill. The Maine Legislature is in session and there are proposals to change the law. If changes are enacted for this year, the Town must reflect those changes in the current tax billing.

To qualify for the Maine Homestead Exemption, you must be a legal resident of the State of Maine, have owned residential property in Maine for at least the past twelve months and the homestead must be your permanent place of residence. You can only claim the exemption for one property and cannot claim the exemption in any other state. When a property is sold, the exemption is removed and the new homeowner must apply for the exemption. Applications for this program are available at the Town Office and must be filed by April 1 each year. Applications received after the filing date are not valid for the current year. Once your application has been approved, it is automatically renewed each year that you qualify for the exemption.

An important change was made to the Veteran's Exemption eligibility. The law eliminated the requirement that a veteran of the Vietnam War must have served on active duty for a period of more than 180 days. If you are a veteran of the Vietnam War who would otherwise qualify for the exemption in the past, but has not because of the 180 days of service requirement, passage of this bill would allow you to apply for the Veteran Exemption.

All participants with parcels enrolled in the Maine Tree Growth Tax Program are required to certify to a current forest management and harvest plan and file an application and Forest Type Map with the local assessor every ten years. If a piece of property enrolled in the Program was transferred, the new owner has one year from the date of transfer to comply with the provisions of the law. Landowners who fail to meet the requirements of the law are disqualified from classification, and must be withdrawn from the program and the required penalty assessed by the Town.

The Maine Residents Property Tax and Rent Refund "Circuit breaker" Program was repealed and replaced by an income tax credit called the Property Tax Fairness Credit that is claimed on the Maine Individual Income Tax Form. This program is administered by the Income/Estate Tax Division of Maine Revenue Services. Assistance in applying for this credit is available by calling 207-626-8475 weekdays from 8 a.m. to 4 p.m.

The Assessors' Agent's schedule is available at the Town Office by the first of each month. If you would like to meet with me, please call the office to schedule an appointment.

I am thankful to your dedicated Town Office Staff for their assistance and to the Assessors for their support. Thank you for the opportunity to serve as your Assessors' Agent.

INDEPENDENT AUDITORS REPORT

Board of Selectmen
Town of Windsor
Windsor, Maine

Report on the Financial Statements

I have audited the accompanying financial statements of the governmental activities and the major fund of Town of Windsor, Maine, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

Opinions

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Town of Windsor, Maine as of June 30, 2016, and the respective changes in financial position, and where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted Management's Discussion & Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. My opinion of the basic financial statements is not affected by this missing information.

Accounting principles generally accepted in the United States of America require that the budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge I obtain during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, I have also issued my report dated August 8, 2016, on my consideration of Town of Windsor, Maine's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of my audit.

Dear Friends of Windsor,

Since being sworn into the Senate in 2013, I have made it my mission to address at the federal level the most important issues facing our great state. Working closely with my colleagues in the Maine Congressional Delegation, we've been able to successfully secure a number of legislative victories that support our state's economy, our rich traditions, and the hardworking people I am proud to represent.

In an increasingly polarized Congress, my goal as an Independent is to put partisanship aside, build consensus and further common-sense solutions to address the needs of the American people. To this end, I have co-founded the Former Governors Caucus, a group of former state executives who are frustrated with legislative gridlock and eager to find bipartisan solutions. And as always, I aim to bridge the partisan divide by hosting barbecue dinners in Washington with colleagues ranging from Ted Cruz to Elizabeth Warren. If you know a person's children, then you see them as a mother or father and not a rival vote, and working to further personal dialogue and build relationships can lay the foundation for successful legislation.

One of the accomplishments of which I am most proud is the legislative victory that protects our college students and their families from an expensive hike in student loan interest rates. In 2013, as students faced a significant spike in interest rates that would have taken thousands of dollars out of their pockets, I brought together colleagues from across the political spectrum to broker compromise legislation called the Bipartisan Student Loan Certainty Act. Thanks to this bill, students will save \$50 billion over the next 10 years by lowering their interest rates, which means that a student in Maine will now save between \$3,000 and \$6,000 over the life of their loan.

Being an Independent in the Senate has allowed me to make calls and vote on policies that are best for Maine, but it has also made it possible to play key roles in finding simple solutions and legislative fixes that make good commonsense to both parties. Of course, much of what we do in the Senate doesn't happen on the Senate floor, or even in committee. Instead, it involves working across all levels of government to ensure the State of Maine receives attention and support from the federal government.

Take, for example, the opioid and heroin epidemic devastating communities across our state. While Congress has passed legislative solutions aimed at expanding access to medical treatment, I've also pressed for other changes that can be accomplished more quickly and make a more immediate difference in Maine. For example, I successfully urged the U.S. Department of Health and Human Services to increase the number of patients to whom a doctor can provide medication-assisted treatment, and in 2015 brought the Director of the Office of National Drug Control Policy to Brewer to meet directly with Mainers and hear their stories. I've also engaged law enforcement – including the Drug Enforcement Agency – to crack down on the production of opioids and work to limit their diversion. Together, Senator Collins and I helped pass the Northern Border Security Review Act to combat drug and human trafficking along our border with Canada.

While the opioid epidemic is certainly our biggest public health crisis, job loss in Maine is still our number one economic problem and that's why we need to focus on bringing good paying jobs back to Maine and protecting the ones we still have. As a member of the Armed Services Committee, I teamed up with Senator Collins and Representative Poliquin to successfully secure a provision in the defense bill that can help domestic shoe manufacturers like New Balance. The three of us also worked together with the Department of Commerce to establish an Economic Development Assessment Team, known as an EDAT, to assist Maine's forest industry in the wake of several mill closures. We have an incredible spirit of innovation and ingenuity in Maine and I believe finding ways to invest in that spirit will reignite Maine's forest products sector and our economy. Part of our economic path forward must also include expanding access to high-speed broadband, which can help connect our businesses and communities to information and economic opportunities.

As a member of the Senate Armed Services and Intelligence Committees, I work to keep Maine and our nation safe. Part of that important work means continuing to work for funding for the construction of Navy ships that will be used to protect American interests across the globe. We all know that "Bath Built is Best Built," which is why I've fought to authorize funding for Navy ships built at BIW. The best way to preserve peace is by deterring war through unassailable strength, and to do that we must support our shipbuilders and our brave service members and invest in our military. I strive to meet this solemn responsibility every day as a member of these committees, which is why I hardly ever miss a hearing and take great care in overseeing the agencies sworn to keep us safe. Armed Services Chairman John McCain called me "one of the most serious and hard-working members" of the Committee, and that's a humbling compliment from a true American hero.

As always, please call or write me with thoughts or concerns with matters currently before Congress, or if you need assistance navigating a federal agency. As a public servant, it is critical to me to listen and learn from you, which is why staying connected with people from all over our beautiful state remains a top priority for my work in the Senate. Please call my toll-free line at 1-800-432-1599 or one my offices: Augusta: (207)622-8292, Bangor: (207)945-8000, Presque Isle (207)764-5124, Scarborough (207)883-1588, or Washington, D.C. (202)224-5344. You can also write me on our website at www.king.senate.gov/contact.

It is an honor and a privilege serving the people of Maine in the Senate, and I look forward to working with you in our search for a more perfect Union.

Sincerely,

Angus S. King, Jr.

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments.

Growing our economy by encouraging job creation remains a top priority. The tax relief bill enacted during this last Congress contains provisions I authored to provide small businesses with the certainty that they need to invest, grow, and, most important, hire new workers. The 2017 National Defense Authorization Act includes a provision the Maine delegation worked together to champion requiring that military recruits be provided with athletic footwear made in America, as is required for other equipment and uniform items whenever possible. This is a great victory for our troops and for the 900 skilled workers at New Balance factories here in Maine.

Maine's contributions to our national security stretch from Kittery to Limestone. As a senior member of the Appropriations Committee, I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard and \$1 billion towards the construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen the Navy and our national security, and the additional destroyer will help meet the Navy's goal of a 355-ship fleet.

Maine's growing population of older individuals creates many challenges. That's why, as Chairman of the Senate Aging Committee, my top three priorities are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security.

The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance. Last May, a call to the hotline helped lead to the arrest of a national crime ring targeting seniors, and in June I worked to secure the humanitarian release of a Maine senior who had been imprisoned in Spain after being victimized by an international drug smuggling scam.

The Aging Committee also released an extensive report detailing the findings of our bipartisan investigation into the abrupt and dramatic price increases for prescription drugs whose patents expired long ago.

I advocated strongly for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. I also championed and authored portions of the 21st Century Cures Act that will further support biomedical innovation and make significant reforms to our mental health system.

The Senate also took steps in the past year to combat the nation's heroin and opioid epidemic by passing the Comprehensive Addiction and Recovery Act (CARA), which I was proud to cosponsor. CARA is a monumental step forward in our effort to address the devastating addiction crisis affecting countless families and communities across the country and right here in Maine.

A Maine value that always guides me is our unsurpassed work ethic. In December 2016, I cast my 6,236th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Windsor and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Augusta state office at (207) 622-8414 or visit my website at www.collins.senate.gov. May 2017 be a good year for you, your family, your community, and our state.

Dear Friend,

I hope this letter finds you well. It's a privilege to share an update on my work to represent you and your family in Washington and in Maine.

As always, the interests of my constituents are what guide my work. There are many things I could talk about in that regard. But I want to focus here on one issue of particular importance—economic development. Having good-paying jobs allows future generations to make this wonderful state their home. With that goal in mind, I'm working to address Maine's economic challenges and capitalize on its opportunities.

One such opportunity is agriculture, where Maine is bucking national trends. The average age of our farmers is actually going down while acreage in cultivation is going up. Consumer demand for local food is driving that growth. I've been successful in reforming federal policies to help farmers and processors meet that demand. My work will continue this year as Congress reauthorizes the Farm Bill.

I'm also working to support jobs in our coastal communities. Last year, I helped block Sweden's proposed ban on the export of Maine lobsters to the European Union. I also introduced legislation to lift unnecessary regulations on seafood exporters and invest in working waterfront infrastructure.

On the House Appropriations Committee, I'm defending federal programs that support jobs throughout Maine. These programs invest in worthy projects that are beyond the reach of private, municipal, or state resources. In our state, they provide loans to small businesses, clean polluted sites for redevelopment, find new marketable uses for Maine's natural resources, build broadband infrastructure, and much more.

Aside from economic development, advocating for Maine veterans is one of my highest priorities. With Congress' current agenda, I'm also fighting to defend Medicare and Social Security, protect clean air and water, and ensure that our communities have the resources to address hunger, homelessness and lack of health care access.

Just as important as my policy work in Washington is what my office does to help individuals in Maine. Every year, my staff helps hundreds of constituents who have issues with federal agencies or programs. Please call my Portland office at (207) 774-5019 for assistance. It's an honor to serve you.

Take care,

Dear Citizens of Windsor:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities continues to be the reduction and eventual elimination of the income tax. Raising the minimum wage is not the path out of poverty; I want Mainers to earn a career wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Unfortunately, voters approved a referendum question to raise the income tax to 10.15% on successful Maine households and small businesses. Enacting the second highest income tax rate in the country shows the nation we are eager to punish people for being successful. It will drive them out of our state and make it even more difficult to attract much-needed doctors, dentists, scientists, engineers and other professionals to Maine. They can live in neighboring New Hampshire, which takes no income tax from their paychecks. Even worse, there is no guarantee the extra revenue from this tax will go to fund education, as proponents promised.

As successful people leave Maine, state and municipal government will lose the significant amount they pay in property, sales and incomes taxes. This will put even more upward pressure on local property taxes. Municipalities will have to get more creative to provide local services without increasing property taxes. Reforming the tree growth program, collecting property taxes on land in conservation or preservation programs, charging a payment in lieu of taxes on state land that is taken off the property tax rolls and having non-profit organizations pay a two-percent tax on their net revenues are all ways for municipalities to increase revenues.

Such bold measures would take strong leadership and commitment from local officials and residents. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Dear Friends and Neighbors,

I want begin by thanking the citizens of District 80 for giving me the opportunity to represent you at the State House. As you may know, our district includes part of Augusta, as well as Somerville, Vassalboro, Windsor, and the unorganized territory of Hibberts Gore.

I have been appointed to the Joint Standing Committee On Judiciary. This committee's broad and essential jurisdiction includes: Judicial system organization and budget; criminal and civil procedure, child protection and family law, as well as civil, medical, and human rights. We expect to review and provide recommendations on hundreds of bills relating to these and other issues in the coming months.

The 128th Maine Legislature convened in December and we expect to be in session until at least mid-June. I encourage you to call me anytime at 287-1440 or email me at Dick.Bradstreet@legislature.maine.gov to keep me updated on any concerns you might have. If you would like to be added to my email update list, you can do so by emailing me directly with your request. Another way to stay up to date on state news is to visit the Legislature's website, www.legislature.maine.gov.

Again, thank you for giving me the opportunity to serve as your State Representative. I look forward to hearing from you!

Best regards,

Dear Friends and Neighbors:

It is an honor to represent you in the Maine Senate, and I am grateful for the trust you have placed in me to work for the betterment of this community and our region.

I am proud of the results of the 127th Legislature which worked hard to continue reforming our state's welfare system and achieved the long sought-after goal of banning the purchase of alcohol, tobacco, and lottery tickets with welfare benefits. While there is more work to be done in reforming our welfare system, I believe these efforts will help deter such abuse of the system and help ensure that benefits are going to those who truly need them. The 127th Legislature also worked in a bipartisan fashion to begin addressing the drug crisis affecting our state. They approved putting 10 new drug enforcement agents on the street, as well as providing funding for treatment programs and drug use prevention efforts.

Improving Maine's economy remains an important issue facing many businesses. As a business owner, I understand that having a strong economy means a bigger tax base and lower property taxes. It will be my top priority over the next two years in Augusta to bring forward meaningful reforms that accomplish those goals and expand economic opportunity for all Mainers.

Maine's education system also needs attention and improvements. As a former teacher, I understand that our children are the next generation of small business owners, doctors, and teachers. The education policies that are decided in Augusta should put our children first. I will work with my colleagues in Augusta to support a budget that puts education first. If we can improve our education system and the economy in Maine, we can attract new businesses that will provide jobs to keep our children in the state after they graduate.

Again, thank you for entrusting me to represent you in Augusta. I look forward to working with you over the next two years. Please feel free to contact me if you ever need my help in navigating the state bureaucracy. I would be happy to assist in any way that I can. I can be reached in Augusta at 287-1505 or by e-mail at Dana.dow@legislature.maine.gov.

The Kennebec County Sheriff's Office is pleased to make the following report regarding the services we provided to the people of Kennebec County in 2016. These services include the Law Enforcement Division, Corrections' Services, Civil Process, Court Security and Transport Division. We provided many regional assets to our communities including Drug Investigations, K-9, Dive Team, Sex Offender Registry, Veterans Advocacy, Accident Reconstruction and the Special Response Team.

In 2016 nineteen Deputy Sheriffs serving in the Law Enforcement Division both in full-time and part-time capacity responded to over 16,000 calls for service. As a result deputies made 920 arrests, issued 665 traffic summonses, and responded to 537 motor vehicle accidents. Deputy Sheriffs also responded to 616 alarms, 174 domestic disturbances, and assisted other agencies 771 times. Deputies and Detectives made 81 drug seizures, of which most were opiate related.

Our Civil Process deputies serve documents from a number of legal agencies, state agencies, lawyers' offices and other entities. In 2016, the four deputies served 7,076 documents or legal papers to the citizens of Kennebec County.

During the past year, our Correctional Facility managed 3,212 inmates, 226 less than last year. The offenses committed by defendants included everything from Burglaries to Homicides. Substance abuse and the proper treatment of citizens with mental illness continue to be two primary concerns at the Correctional Facility. With the help from many members of the Kennebec County delegation, we were able to secure funding for the CARA (Criminogenic Addiction Recovery Academy) Program within the State biannual budget. CARA was delayed for several months because of the long delay in financing. We were still able to complete three CARA program courses helping 29 inmates with the treatment and recovery process.

Inmates at the Kennebec County Correctional Facility are asked to work and earn time off their sentences if applicable. Inmates who are considered to be a risk to the community work inside the facility cleaning and cooking, while others are supervised on outside projects. For every two days worked, one day is reduced from their sentence, resulting in a \$451,077 bed day savings to the citizens of Kennebec County. Throughout 2016, inmates worked 10,069 community service hours, valued at approximately \$75,523. Our inmates raised 25,020 pounds of produce and gleaned 10,075 pounds of produce for the inmate kitchen, area food pantries, churches, homeless shelters, schools and elder programs in 2016.

In December, renovation construction began in the former indoor recreation yard of the correctional facility. The renovations will increase the capacity of the facility by 21 beds. This will allow us to house inmates that are currently boarded at other correctional facilities. Within 18 months the cost of the renovations will pay for itself, as we will not be paying boarding fees to other facilities.

We are committed to providing innovative programs to reduce crimes, assist victims, and to provide enhanced public safety. We acknowledge the ever-growing opiate addiction problem nationwide and have committed to partnerships at the Federal, State and Local levels to combat this problem. Our approach is aggressive enforcement, education, treatment and recovery for those afflicted with this horrible addiction.

Another problem facing law enforcement throughout our great nation is distracted driving. Highway fatalities and serious injuries have soared as a result of individuals using electronic devices when operating a motor vehicle. Please do not be a statistic or make others a statistic because of carelessness.

As your Sheriff, and moving forward in 2017, my focus will be exclusively on the people of Kennebec County and my fellow employees within the Sheriff's Office.

Ken Mason, Sheriff

Service Report – Windsor 2016

Delta Ambulance, founded in 1972, is the leading provider of high quality, compassionate emergency services and medical transportation in central Maine. Our superior training, experience and state-of-the-art medical technology sets us apart from other ambulance services.

We are pleased to be able to provide emergency Paramedic care to the people of your town and to continue supporting your First Response Rescue at no cost to the community. As a regional not-for-profit organization, we continue to fund our operations solely by reimbursement directly from the patient and the patient's insurance. This is possible due to our economy of scale. A significant portion of our patient charges, annually, are written off as charitable giving to the uninsured and underinsured. Additionally, we continue to support community events throughout our coverage area.

In 2016 (January 1 – December 31), we responded to 178 911-calls. Of these, 131 required immediate care and transport. The remaining 47 calls received no transport and no invoice. Additionally, we serve your community by regularly providing non-emergency care and transfer services for patients as well as standby for fire calls.

Our average response times, the time between our receipt of the call and our arrival, for delivery of paramedic care was 13.6 minutes for emergencies.

Paramedic care is the highest level of Pre-Hospital care available. Our Paramedics exceed State Standards for recertification and respond with the latest medical technology available including 12 lead EKG and pharmaceutical interventions. Our care is reviewed in our Continuing Quality Improvement (CQI) program, which is recognized as a leading process in Maine.

Our support for your Rescue Services continues to include continuing medical/rescue education and on-scene replacement of medical supplies used on the call, all at no cost to the town.

As always, if we can assist you with a project or answer any questions, please do not hesitate to contact us.

We thank you for the opportunity to serve the people of Windsor.

Erskine Academy

January 2017

Dear Windsor Residents,

It has been another enterprising year for Erskine Academy, your high school of choice that combines the very best of private school education with the democratic ideal of a quality education for all.

In our 134th year, and following our reaccreditation by the *New England Association of Secondary Schools (NEASC)*, who commended our commitment to the success of every student, we continued our efforts to improve our school, expand opportunities for learning, accelerate student achievement, and produce even better results. A few facts about Erskine Academy today are a testament to our vitality and the value of our educational experience:

- With 590 students in grades nine through twelve, we are the largest town academy in Maine to serve a nearly 100% local student body on a 100% school choice basis
- A 13:1 professional teacher to student ratio
- A virtual 100% percent graduation rate
- A dropout rate less than one percent
- Of 140 graduates in 2016, 80% were accepted to some form of higher or continuing education (now a four-year trend), many to highly selective colleges and universities
- Average SAT scores for our class of 2016 are 33 points greater than the state average
- For a second consecutive year, we are one of seven Maine high schools to make the *Washington Post's* list of *America's Most Challenging High Schools*, a distinction based on the number of Advanced Placement courses and tests taken by our students.

Although we have experienced an increase in private-pay and international students, we remain fully committed to our town-funded students by admitting all students from our eight sending towns that have successfully completed the eighth grade and can benefit from our programs. To maintain this local heritage, for the seventh time we hosted nearly 250 area sixth graders for an early exposure to high school program designed to build their familiarity with and confidence for doing high school work.

Staffed by three teachers and two educational technicians, Erskine's Special Education program educates and provides specialized support to students eligible for such services through an Individual Education Plans (IEP). Valuing all students and believing they deserve a welcoming school and professional teachers who will build on their strengths, 20% of our students receive academic assistance or Special Education services to support their learning.

In our fourth year as a *MELMAC Education Foundation* school, we have increased students' preparedness and aspirations for continuing their education beyond high school, reduced barriers to accessing their higher education, and significantly reduced their need to take required remedial coursework once in college.

Teachers' professional development has focused on ensuring that an Erskine Academy diploma signifies that its holder has met the academic and behavioral performance standards demanded by industry, the workplace, and adulthood. In its sixth year, our *Jobs for Maine Graduates (JMG)* program has increased student exposure to various forms of higher education and vocational trades programs and has taught essential work seeking, training, and employment retention skills. With 60 students pursuing a certificate in a work craft or trade, our enrollment at the Capital Area Technical Center is second only to its host Cony High School.

This past year, 132 students took at least one of our seventeen *Advanced Placement* courses, and 253 students were enrolled in one or more of our nine dual enrollment courses with local colleges taught here by our teachers; nearly two-thirds of the graduating class earned college credits while in high school and saved considerable college tuition expenses.

Through our International Student program and club, we have diversified our campus and helped our students gain understanding and develop interpersonal skills for living more globally and interdependently in a culturally diverse and "shrinking" world.

Regardless of differences in residence, prior learning, interests, abilities, or personal circumstance and backgrounds, all of our students matter and belong. All who attend here will experience a school program that blends traditional values with contemporary programs and best practices to become the most academically and personally prepared young people in the region.

Erskine began the 2016-17 by accepting, and winning, WGME 13/Fox 23's School Spirit Challenge, an eight-week food and fund drive to benefit Good Shepherd Food Bank of Maine and our local food pantries. In spearheading this effort, we maintained a strong presence in our communities and provided a critical community service. More important, we collected 84,474 pounds of food, the equivalent of 70,395 meals for the food insecure, exceeding by several thousand pounds the combined amounts raised by the second and third place high schools. Not only did we engage our community in problem-solving, we significantly affected hunger in Maine. Through this important initiative, we put Erskine's values for stewardship, leadership, and relationships to work in a substantial way.

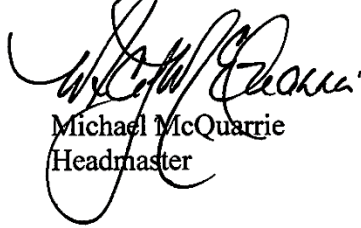

Erskine Academy reflects proudly and appreciatively on its 134 years of progress and performance. Since our founding in 1883, Erskine Academy has been doing many things effectively and successfully. As any enduring organization has done over time, we have remained true to our mission while evolving to meet new demands of an ever-changing world. Because there is no limit to what we can do, pursuing excellence and implementing our mission is a continuous and unyielding work in progress.

We give heartfelt appreciation to our alumni and others who believe strongly enough in our values and results to give their time, talents, and financial donations to supplement our state-set tuition rate. Your investment permits us to invest in programs and enhancements beyond what can be supported through tuition alone, makes us a stronger and higher performing school better fit for the times, and raises the expectations we have for ourselves.

We are grateful as well to our students, families, and sending communities for their confidence in and support for Erskine Academy. Together, we create a school and legacy that adheres to what we know is right and good for our young people and aids them in constructing a sturdy, worthy, and satisfying adulthood.

In closing, thank you Windsor residents for sustaining high school choice for your young people and families, an opportunity for learning that is available to only 3% of Maine students, despite two-thirds of Maine voters agreeing that school choice programs should be open to all. And to the families who have exercised that choice to attend Erskine Academy, entrusting us with the intellectual and personal development of your children humbles and honors us. In partnership with you, we look forward to more new challenges and accomplishments in the year ahead.

Onward Erskine!

Regional School Unit 12 Superintendent's Message

April 10, 2017

Dear Citizens of Windsor,

The 2016-2017 school year has been a very successful year so far in Sheepscoot Valley RSU 12 school district. The Sheepscoot Valley RSU 12 school district includes the towns of Alna, Chelsea, Palermo, Somerville, Whitefield, Windsor, and Westport Island. RSU 12's vision is "Building a foundation of lifetime learning for our students, families, and communities by inspiring growth, change, and success for all students." The RSU 12 Board of Directors and staff continue to work hard at accomplishing this vision.

This year, RSU 12 Board of Directors and staff have continued to expand Pre-K programming for four-year-olds. RSU 12 has successfully established five Pre-K classrooms throughout the district. These programs can serve up to seventy-eight students. These programs are very close to capacity this school year. RSU 12 works in collaboration with regional Head Start agencies in order to leverage Federal funds and save money. Windsor students can access two Pre-K programs at either Windsor Elementary School or Somerville Elementary School. All students who are four years old before October 15th are encouraged to register. Contact Windsor Elementary School for more information.

Educators in RSU 12 continue to work towards implementing a proficiency-based, personalized learning environment for our students. A proficiency-based, personalized learning environment means that RSU 12 is working toward providing structures and training to educators in order to meet the individual needs of all learners. We believe that all learners learn in different ways and in different time frames. A personalized learning environment provides a structure that creates flexibility and allows students to progress as they demonstrate mastery of academic content regardless of time or pace of learning. This type of learning leads to better student engagement as the learning is more relevant to each student and customized to the way they learn. This system also leads to better student outcomes because the pace of learning is customized to each student. A proficiency-based, personalized learning environment has the added benefit of saving both time and money.

At the time of this writing, the RSU 12 School Board is recommending a 2017-2018 RSU 12 school budget in an environment of uncertainty. Governor LePage has proposed multiple changes to the state funding formula. This proposal will need to be debated by our legislators. It is clear that these changes will reduce education subsidy for RSU 12 and the town of Windsor. Currently, 57% of RSU 12's education budget is funded by state subsidy, so any loss in funding can have a potential impact on the school system. We continue to move forward with the budget development process with an assumption that state subsidy for education will be flat or lower. Information about the budget is at <http://www.svrso.org/Finances/fy-18-proposed-budget>. The proposed RSU 12 draft budget is currently up 2.8% over last year's budget. This is primarily due to an increase in high school tuition students. The RSU 12 Board of Directors is working diligently to develop a fiscal year 2018 budget that maximizes programming while remaining fiscally conservative. You can learn more about our schools and our budget process through our website at www.svrso.org or by speaking with our staff and members of the RSU 12 Board of Directors. RSU 12 continues to work with the Windsor community to strengthen the collaboration between the member towns in RSU 12. Thank you to all in the Windsor Community who supported the new school sign!

Sincerely,

Dear Windsor friends and family,

It would be impossible to list some of the highlights of this year without giving credit to the incredible support of the Windsor community. Many thanks to the Reed Foundation for their generous donation of the Lucy Calkins Units of Study in Reading for the third grade, fourth grade, and fifth grades. This series offers grade-by-grade curricula in reading designed to meet ambitious 21st century global standards. Drawing on learning gleaned from decades of research, curriculum development, and working shoulder-to-shoulder with students, teachers, and school leaders. This new reading series is rooted in the Columbia University Teachers College Reading and Writing Project's best practices and newest thinking. It includes state-of-the-art tools and methods for teaching reading, undergirded by the Project's learning progressions in reading for literature and informational texts.

Again, our Night at the Museum in March had overwhelming attendance and enthusiastic energy. The community came out in full force as well for our second annual Barnes and Noble family night. PAWS contributes so much to our students: Trunk or Treat, Laser Tag, semi-formal dance, feeding hungry teachers during parent/ teacher conferences, and 5K run/walk just to name a few. This year, PAWS also is helping create a carnival day for our wonderful Wildcats in June. So excited that they wanted to celebrate our making our Accelerated Reader goals of 360 million words read by students, staff, and community.

This year's school motto is: Windsor, where everyone is included. The entire community of Windsor makes our motto a reality every day.

NETCo Scholarship Fund

The NETCo Scholarship Fund for Windsor, ME Residents was established in 2014 to encourage Windsor Residents to enroll in college and achieve personal, academic, and professional success. Scholarship awards will be given to students ages 25 years or younger who wish to enroll in a degree and must be a resident of Windsor and have resided there for the past seven (7) years continuously. Verification of your residency will be needed. Scholarships will be awarded in amounts up to \$2,500.00 per year.

“It is the company’s pleasure to be able to offer educational assistance to the citizens of Windsor. Education is one of the building blocks to building a great family and healthy society as a whole. As Mainers we all need jobs and employers need an educated workforce to start the education process”. Mark Scribner, President, NETCo said. Mark promised to fund this for 2014 and 2015 with a goal of funding it longer.

NETCo is a supplier of security products to the commercial nuclear power industry. With its deep roots in Maine, NETCo has set goals of being the best supplier to its customers throughout the United States, a good place to work, and a good corporate citizen. 2016 marked the company’s 18th year in creating partnerships with customers and employees.

Applications are available at the Windsor Town Office and on our website at www.windsor.maine.gov and local area high

schools. To learn more or apply for this scholarship, please contact the Windsor Town Office by calling (207) 445-2998 or by emailing Theresa Haskell at thaskell@windsor.maine.gov.

“The Town of Windsor is honored to have such a dedicated company like NETCo to support the continued education for our Windsor Residents. This will definitely benefit our residents to pursue their educational goals and dreams”, Theresa Haskell, Town Manager said.

**Please make note that you must reapply each year for this scholarship and the application deadline is May 1st of each year.

2016 Windsor Food Bank Report

Grant Owens, Board Chair

Fulfilling our mission would not be possible without our volunteer force and our donors. We are so blessed each year to have the labor, money, and food needs met so we can serve our neighbors. The building, utilities and the maintenance the town provides alleviates a financial burden for the food bank. With this support we can focus a lot more of our donated dollars on food costs. The food bank is an ecumenical partnership between Windsor Christian Fellowship and North Windsor Baptist. We serve those in need on the first and third Thursday of every month from 6:00–8:00pm. There is no requirement either expressed or implied for anyone receiving the services of the food bank to participate in any of the programming of either of the churches.

Donations of food and money are always a constant need for the food bank to continue our mission. We pride ourselves on how low our administration costs are. Literally 99% of our funds go to food for our neighbors. All of the food is given away free of charge to those in need in the town of Windsor. We source our food from the USDA, Good Shepherd Food Bank, China Hannaford, and purchase a small amount wherever the cheapest bargain is. There are many organizations that support us with food drives. Some of those include the Windsor Elementary School, Windsor Post office, Whitefield Lions Club, and Erskine Academy. We have received food from local farmers and gardeners as well during the season. Fresh food is much anticipated and makes a huge impact on the families we serve. Through these methods we provided over 20,000 meals to the Town of Windsor.

We could not do this work without the great support of our financial donors. We have some that send small amounts in the mail monthly or quarterly and some send larger amounts. The impact of both is very important to us and no amount is too small. Some of our larger donors from this last year that deserve recognition were NETCo., Whitefield Lions Club, Maine State CU, United Way of Kennebec Valley, and Kennebec Savings Bank.

We have an awesome group of people who come together to make the food bank run. The volunteers and board members are some of the most loving and caring people in the town. With the energy they bring to the table this year's Walk-A-Thon was a huge success in fact a record setting success. Many local businesses donated awesome prizes to reward pledged walkers for their efforts. A great amount of people from the town participated by either walking or donating funds and this year's total amount raised was over \$2200. These monies are a great boost that will help us to consistently supply food for a few months.

Unfortunately we lost a huge donor this year due to a business changing hands in Windsor. The monies that were being donated covered just over half of our budget for the year. Our faith is strong though and we are not concerned because we have a loving God who always has provided and will provide.

We extend a big thank you to the People of the Town of Windsor, Selectman, and the Town Manager for making our mission a priority of theirs as well. We are excited to continue serving our community for the coming years.

Spirit of America Awards

Spirit of America Foundation is a 501(c)(3) public charity established in Augusta, Maine in 1990 to honor volunteerism. The Spirit of America Foundation Tribute is presented in the name of Maine municipalities to local individuals, organizations, and projects for commendable community service.

The Town Manager and Board of Selectmen would like to congratulate the following for the Spirit of America Award;

- **Windsor Rescue Members** – For their dedication and sacrifice of time, training, and service to the people of Windsor, Maine.

- **NETCo Inc.** (Mark Scribner) – For his dedication and generosity to the Town of Windsor, Maine. NETCo Services, a division of NETCo Inc., was started October 1998 by Mark A. Scribner with the goal of providing users of security personnel search equipment spare parts, superior customer service and assistance in reducing maintenance costs. NETCo currently provides services to all of the Nuclear Power Generating Plants across the USA. Mr. Scribner has over 30 years of hands-on experience installing, repairing, and training customers in the maintenance and use of personal search equipment such as Explosive Detectors, Metal Detectors and X-Ray equipment. NETCo Inc. has also generously donated towards the following;
 - The Town of Windsor’s lift located within the Town Office which allows residents to be able to go upstairs without having to use the stairs.
 - The folding voting booths for voting.
 - A NETCo Scholarship Fund for Windsor, Maine residents for the past four (4) years of \$25,000 each year to continue the education for Windsor residents under the age of 25 who wishes to continue their education.
 - Many donations to the Windsor Elementary School and sport programs for our Windsor residents.

Notice of Rabies Clinic

The Windsor Volunteer Fire Department will be sponsoring a **Rabies Clinic** at the Windsor Fire Station, 671 South Belfast Rd, **on Saturday, December 9, 2017 from 12:00 p.m. to 1:00 p.m.** The fee is \$10.00. All dogs must be leashed and all cats must be in containers. Animals should be at least four (4) months of age and not pregnant.

A clerk will be on site enabling you to also license your dog. Owners must bring a current rabies certificate, and a spay/neuter certificate if applicable if they wish to renew their dog's license.

All dog owners are reminded that **dog licenses expire December 31st** each calendar year, and you may license your dog beginning October 15. There is a late fee of \$25.00 per dog after January 31st.
