## Honoring our Windsor Veterans

Windsor Town Meeting will be at the Windsor School in the gymnasium on Wednesday, June 9, 2021 at 6:30 p.m.

# This year's Town Report is dedicated to DANIEL GORDON for his many years of service to the Town of Windsor. 

## DANIEL GORDON

Dan was born on December 20, 1942, and sadly passed away after a brief illness on February 8, 2021. Dan also served honorably in the U.S. Army from 1961-1964.

Dan was very involved within the community; he was a member of North Windsor
Baptist Church where he served as Deacon and Trustee. He was on the organization committee for the Windsor Days for 10 years and headed up the "Windsor Days parades" where you would see him on his 4-wheeler riding around. He was also a Board Selectman for six years and was a volunteer ambulance driver for five years. Dan also received the "Spirit of America" Award in 2017. (As seen below with his family.)

THE BOARD OF SELECTMEN, TOWN MANAGER AND EMPLOYEES WOULD LIKE TO REMEMBER DAN AND THANK THE FAMILY FOR ALL THAT HE DID FOR THE TOWN OF WINDSOR.

## WE ARE HERE FOR YOU!

It is that time of year for the Board of Selectmen to report again to the townspeople. Like everybody who lives in Windsor, it has been an extraordinary year for the Town. The Town staff has done an incredible job keeping all services up and running during this Pandemic with only slight changes. The Board would like to start by thanking all the employees that kept Windsor going through this! I also would like to thank the residents of Windsor as you made the staff feel very comfortable with your patience this last year. We look forward to the day that things return to normal.

The Board has been meeting regularly and in person all year. Concerns about effects on the budget and safety of staff were front and center throughout the year. The Pandemic has produced a lot of unknowns along the way, but we have finalized a budget that is ready to carry us into the future without any significant change to property taxes. We have maintained the spirit of planning and reserving monies for future infrastructure so that we can implement even during times when times are uncertain.

Again, we would like to stress that only with resident input and involvement can Windsor ensure that it remains uniquely Windsor even though it seems like change is happening all around us. Please remember that you all are always welcome to our meetings and available through our website at www.windsor.maine.gov. Also, please make note of the electronic sign at the Town Hall as you pass by as we use this frequently to get messages to the public.

Respectfully submitted,

William Appel, Jr. - Board Chair

## TOWN MANAGER'S REPORT

This past year was very different and challenging for everyone. We have all had to make changes in our lives to deal with the COVID19 (Coronavirus) pandemic. Some of us have lost family members, friends, and acquaintances throughout this pandemic and my heart goes out to each of you. The Town has had to make many changes to comply with the Governor's orders and CDC Guidelines. I want to thank the Town of Windsor's staff and all of you for being patient and helping us get through these trying times. The health of our staff and residents is our \#1 priority.

I know normal times have changed and as we strive to move forward to some normalcy, we will continue with our precautions of wearing masks and keeping social distancing in place. Please do your part for the safety of yourself and others.

The Town of Windsor's Financial Condition ending June 30, 2020, Was $\$ 1,410,215.00$ and is in good standing to comply with our quditor's recommendation of having at least three months' worth of expenses set aside in case of any unexpected emergencies.

With the upcoming financial challenges and because of the pandemic, the Town's budget has a proposed increase of $\$ 83,700.00$ (4.76\%). The Windsor School's share proposed budget also has an increased amount of $\$ 146,984.14$ (4.4\%). The Board of Selectmen and Budget Committee is proposing our Revenues increase $\$ 160,000.00$ to offset the Town's increase and the remaining to help with the school's share increase. Most of the Revenue increase is within the amount of Unassigned Fund Balance and Revenue Sharing. Our goal is to keep the Town's mil rate as low as we can and keep taxes down without losing critical services.

Voting day will be Tuesday, June 8, 2021, from 8:00 a.m. - 8:00 p.m. and Town Meeting will be Wednesday, June 9, 2021, beginning at 6:30 p.m. at the Windsor Elementary School. DON'T FORGET TO VOTE! ABSENTEE BALLOTS ARE NOW AVAILABLE.

# TOWN MANAGER'S REPORT Continued 

The dedicated Office Staff, Public Works Department and Transfer Station employees are here to serve your needs and strive to do the best job they can, and I am thankful for all of them.

We are a strong Town and with us all working together we will get through these unprecedented times. Please check in on your neighbors and stay safe.

Theresa L. Haskell, Town Manager

## PUBLIC WORKS DEPARTMENT

Keith Hall, Road Supervisor reported the following;

1. A large culvert was replaced on the Barton Road before we paved from Route 105 to Weeks Mills Road 2.16 miles.
2. Choate Road was paved from Route 32 to the Windsor Neck Road 1.8 miles.
3. Wingood Road was paved from Route 105 to the Coopers Mills Road 2.69 miles.
4. The Sampson Road was paved from Route 105 to the Windsor Neck Road/Greeley Road 1.13 miles.

This year we are looking to have the dirt part of the Reed Road paved with a 2" binder and then overlayed from Route 32 to Route 105 1.52 miles. Overlay the Legion Park Road ( 1.79 miles), Lamson Road (. 31 miles), Erskine Road ( 82 miles) and Maxcy's Mill Road ( 1.34 miles). We will also have crack sealing done where needed. We hope to take down the large trees that are dying each year with what is budgeted and approved by the townspeople. (We have a lot.)

PLEASE be considerate when driving by any Work Zones and SLOW DOWN for flaggers and workers within the Work Zone Areas. Also, during winter hours, please SLOW DOWN and pull over when approaching a Plow Truck so they can maintain and plow safely in and around mailboxes for the safety of everyone.

## TOWN CLERK'S REPORT

Kelly McGlothlin

## Citizens of Windsor,

It has been my pleasure to serve the residents and greater communities of Windsor. I appreciate the support of the public and collaboration with our Town Manager, Select Board, fellow colleagues, departments, board and committee members, and election personnel.

The clerk's office primary responsibilities include the care and preservation of municipal records. We record vital statistic information such as births, deaths, and marriages. Birth records from September 1995, death records beginning in 2011, and marriage records beginning January 1, 2017 are kept electronically in the State of Maine's DAVE system. The following is a fee schedule for these records:

Marriage License.
Birth, Death, or Marriage Certificate...... $\$ 15.00$ Each Additional Copy of Certificate...... \$ 6.00

Hunting and Fishing Licenses, Snowmobile, ATV, and Boat Registrations are also issued in the Clerk's Office using Inland Fisheries and Wildlife's MOSES system. You must have proof of having held a previous Hunting license or having taken a Hunter's Safety Course to purchase a Hunting License.

There were 603 dogs registered and 2 kennel licenses issued in 2020. Dogs 6 months or older that reside in Windsor for longer than 10 days must be registered annually by December 31st.

You must have a current rabies certificate to license your dog. You will also need to provide proof of spaying/neutering. A spayed/neutered dog license is $\$ 6.00$, and $\$ 11.00$ for an unaltered dog. We now offer on-line dog licensing, through the state's website at www1.maine.gov/cgi-bin/online/dog license/index.pl
Please be aware that you must be able to submit your current rabies vaccination to us if requested when using the on-line licensing. Per state law, a $\$ 25$ late fee applies to any dog registration as of February $1^{\text {st }}$.

Please visit our website www.windsor.maine.gov for the most up-to-date information. Here you will find public notices, calendar of events, tax maps, meeting minutes, election information, office hours, and contact information.

The Town of Windsor does accept payments by debit/credit cards. There is a convenience fee of $\$ 1.00$ minimum, or $2.5 \%$ of the total balance. We do not currently accept payment online nor by phone.

The following page contains records of deaths and marriages from January 1, 2020 to December 31, 2020. There were 30 recorded births in the Town of Windsor.

Respectfully submitted,
Kelly McGlothlin Town Clerk

## REGISTRAR OF VOTERS

Kelly McGlothlin

You may register to vote during regular business hours or at the polls by filling out a voter registration card. To vote you must be a citizen of the United States, a resident of Windsor, and eighteen (18) years of age. You must show proof of residency such as a Driver's License, current Motor Vehicle Registration, Hunting/Fishing License, or any official document showing your current address. If you are planning to be out of Town on Election Day, you may request an absentee ballot. The request must be made at least three business days prior to voting day unless you have a special circumstance. Ballots will be available up to 30 days prior to an election.

During COVID restrictions our polling place has been moved to the Windsor School Gymnasium. We can follow the State guidelines in this larger area and feel we have created a safe voting environment.

As of $12 / 30 / 2020$ there are 1,972 Registered Voters in Windsor. There are 466 Democrat, 775 Republican, 115 Green Independent, and 616 Unenrolled.

I would like to thank the following people for their help and hard work during the elections this year. Whether you were a moderator, warden, ballot clerk, election clerk, deputy registrar, or even just helping set up booths, I really appreciate all you have done and are willing to do to help make our elections run as smoothly as possible. Thank you!

Respectfully submitted, Kelly McGlothlin

It is the *LAW to license your dog/s every year!

> * The $\$ 25$ late fee for dog licenses applied for after January $31^{\text {st }}$ is imposed by the State statute, and nothing in the law vests any discretion in a municipal clerk or any other official to waive this fee (see 7 M.R.S.A. $\mathcal{\xi} 3923-\boldsymbol{A}(4)$ ) The late fee is in addition to the annual license fee before any license applied for after January $31^{\text {st }}$ can be issued.
> From MMA Legal Notes - January $\mathbf{2 0 1 4}$ Maine Townsman

## PLEASE NOTE:

You are responsible to obtain a license within 10 days after:

- Your dog reaches the age of 6 months.
- You become the owner or keeper of a dog aged 6 months or more.
- You move to a new community.
* Proper ID can prevent your dog from going to the shelter - please keep your dog tags on their collars!

Tags are available after October $15^{\text {th }}$ and $\underline{\text { must }}$ be purchased by December $31^{\text {st. }}$

## Sum up the past year's projects: We have accomplished a lot this past year - especially at Resthaven:

- Public Works removed one large Pine tree that fell into the cemetery at Resthaven. They then removed another large Pine tree that was completely dead and two smaller trees that had died by the Conex.
- Selectman Rick Gray placed two flower barrels at the head of the Cremains Garden section of Resthaven Cemetery.
- Public Works removed 8-9 shrubs that had died in Resthaven.
- The chain link fence on 32 side of Resthaven was painted.
- The Rules sign in the Cemetery was repaired and painted.
- Put up new plaques for the old section of the cemetery.
- Turf Doctor did maintenance in the spring and fall.
- Did some cleanup and trimming of branches by the Conex.
- All the veteran's stones have been cleaned in Resthaven North and South
- Cleaned 12 veterans' stones with D2 and 3 smaller monuments.
- Bob and Liz Harriman have worked on 143 stones in the old section - cleaning and using the product Wet and Forget. Liz has taken before pictures and taken some samples of stones after a while - so that we can see the progression.
- Mapped out all the Veterans stones for Resthaven South, Resthaven North and H, I, J, K and L still have A, B, C, D, E, F and G to do.
- Inventory is being taken in Section A and B of Resthaven by Tom and Bonnie Squiers.
- Inventory has been completed in Resthaven South and most of Resthaven North.
- 30 Sections of the Chain Link Fence on the Maxcy's Mill side have been painted.
- Chains have been added to each entry way to Resthaven and locks have been purchased.
- The light at the Memorial burned out and Selectman Andrew Ballantyne researched and purchased a temporary lighting system.
- Twenty Rod Road - the posts were all painted, and the chain was repaired and painted.

I would like to thank the Cemetery Board Committee; the Public Work's Department; Town Manager; Windsor's Town Clerk and staff; Tom Reed's continued readiness to assist when asked and the Board of Selectmen for their continued dedication and support in the operations of the Cemeteries in Windsor.

A special thank you to Selectman, Rick Gray for placing the flags on Veterans graves in the (7) seven Town of Windsor cemeteries and removing them in the fall.

Respectfully Submitted,

## WINDSOR VETERANS MEMORIAL COMMITTEE REPORT FOR 2020-2021

Its here!! Its here!! If you have not seen our new Windsor Veterans Memorial Monument, you need to take a drive and see it. It is beautiful.

Unfortunately, we were not able to have a dedication at the time the Memorial was erected, for a few reasons, it was late in the season when the work was done and due to Covid, we were unable to hold a gathering. We are still planning on a dedication and we are looking at doing this around Veterans Day. Please keep the date in mind and look on the Town of Windsor Website and the Electronic Sign in front of the Town Hall. Hopefully, we will be able to stream the event and post it later.

There is still a lot to be done and we have not been able to do any fundraising events due to Covid. Hopefully, this will not be the case soon and if you are interested in helping, please contact the Windsor Town Office.

Future plans are to move the Flagpole to the back of the monument; build a 3-foot circular wall behind the monument; install better lighting; lay the pavers that have been purchased; remove the vault; construct a small parking area; and put in the two benches that were donated to us by J.C. Stone. We also will continue to sell pavers to help in the maintenance of the memorial site. We are working with Provosts to help with the design on how to lay the pavers.

Many thanks go out to Provosts Monuments of Benton. Their expertise and willingness to help us with this project has been enormously valuable. They have been with us every step of the way. From designing a one-of-a-kind monument to helping with the layout and then erecting the monument on the site. They have been wonderful to work with and have done amazing work.

We are grateful to the taxpayers, and to the donors and anonymous donors that contributed so much. For everyone that has helped work on the project and to the entire community that has helped to make this project a reality.

Pavers are being sold to help raise money for the remaining work and maintenance of the monument.

You can honor a Veteran; a loved one; or have your business name written on a paver in support of the Windsor Veterans Memorial by purchasing a paver. Need more information? Contact the Town office and they can help you. Samples of the Pavers can be seen at the Town Office.

## Costs for Pavers are as follows:

Granite pavers come in three different sizes:
12 " x 6" - \$ 250.00
12 " x 12"- \$ 500.00
$24 "$ X 12 " - \$ 1,000.00

Concrete pavers come in two different sizes:

| $9 " \times 6 "$ | $\$ 100.00$ |
| :--- | :--- |
| $12 " \times 12 "$ | $\$ 200.00$ |

This honorable project that the Town took upon to achieve could not have been accomplished without the many volunteers, the Fundraising Committee, the Selectmen, Town Manager and Office Staff, the Board members; the Public Works Department; Provost Monuments and most importantly you the towns people. Thank you so much for the support and everything everyone has done, thus far, to achieve this goal.

Events: Check the Windsor Town Office Website often to see what is happening in the town and when there will be upcoming Fundraising Events. www.windsor.maine.gov.

Thank you to everyone for supporting the Windsor Veteran's Memorial.
Respectively submitted,
Joyce A. Perry

## TOWN OF WINDSOR <br> CODE ENFORCEMENT OFFICER'S <br> REPORT

December 31, 2020
There was a total of 65 building permits issued during 2020. The permits included the following:
Single Family Homes ..... 11
Mobile/Modular Homes ..... 3
Remodeling ..... 13
Commercial ..... 0
Decks ..... 4
Garages/Storage Buildings ..... 29
Barns ..... 5

The number of permits issued has increased from 2019. There were not as many problems in Code Enforcement but there has been an increase in the number of yards that need attention because of littering and/or more than 2 unregistered and uninspected vehicles.

Also, please remember that any building larger than 8 'x 8 ' or an assessed value of more than $\$ \mathbf{2 , 0 0 0}$ in Real Estate Taxes requires a permit.

If you have any questions or need a permit, please give me a call or meet me at the Windsor Town Office on Tuesday evenings from 6:00 p.m. - 7:00 p.m.

# WINDSOR RESCUE ANNUAL REPORT 2020 

5/18/2021
To the Residence of the Town of Windsor,

The EMT's of Windsor Rescue are pleased to report to the Town of Windsor and to the citizens the Annual Report of Windsor Rescue. As stated, before we continue to be active in both our rescue efforts and our community service. We continue to respond to 200+ EMS, Fire, and Mutual Aid calls. Our Professional growth continues with our monthly training sessions both on and offsite. These programs help to expand our knowledge base and enhance our learning opportunities.

Our specialize equipment continues to be certified and up to date, especially the Defibrillator. We replaced our AED this year with a much more technical model that gives us an ability to see what we are dealing with in a cardiac episode. Thanks to the citizens of our town.

We continue our fund raising as we try to keep our budget request to the Town as low as possible.

As before we continue to encourage and invite any individual to visit us at our monthly meeting, and educational session to see what we do. It is hoped that by chance some of you might be interested in joining our group; we normally meet every 3rd, Wed. of the month at the Fire station starting at 6:30 PM. We continue to be a small close-knit group and very supportive of each other and new faces would be welcome. Hope to see some of you soon.

## Remember it is with the help and volunteerism from our community that we will be able to continue to provide the emergency care that you all deserve and need.

We like all other services are challenged with this COVID 19, but we are all prepared with all the appropriate PPE as directed by CDC and EMS directions. So be safe out there, continue with social distancing and we should all come out of this epidemic safe and stronger in the future. As a side note all our EMS staff has received the COVID vaccine as a precaution for our and your health. When it is available, we encourage all of Windsor to do the same.

I Remain Your Most Humble Servant,

Raymond J Chavarie Jr. EMT-1
Dir. Windsor Rescue

Re: Annual Report for Calendar Year 2020

Town of Windsor,
For the period January 1, 2020 to December 31, 2020, Windsor Food Bank served 224 families. Additionally, for Thanksgiving and Christmas 2020, the food bank distributed $\$ 1000.00$ in Hannaford gift cards.

This year has been a year like no other with COVID-19 impacting how we distribute food; along with a dramatic reduction in the number of families needing to use the food bank. Because of the reduction in need, we have reduced the hours the food bank is open. However, our patrons have been invited to come to the food bank anytime the food bank is open.

Our food bank is about people helping people and I want to express my deepest gratitude to all the people who supported Windsor Food Bank throughout the year by picking up and distributing food, volunteering as board members, and performing various other tasks. This year, these volunteers gave of their time and put themselves in arms way with only a thank you for their efforts. Windsor Food Bank did not close one day due to COVID-19. A testimony to the unselfish actions of a caring and resilient community. However, we lost an essential member of our team this year do to COVID-19. We will miss his caring and compassionate nature. He was a long-time member of this community and his contribution to Windsor Food Bank cannot be understated.

I also want to thank everyone who financially contributed to Windsor Food Bank in 2020. Without your generous cash contributions, the food bank would not be able to provide food to our friends and neighbors who from time to time need a hand up. I would remiss if I failed to thank our Town Selectmen and Town Office. Without their outstanding and continuous support, Windsor Food Bank would not be able to open its doors.

I want to remind everyone that Windsor Food Bank is here to help. We are open on the first and third Wednesday of each month from 5 to 6 pm . Our town sign is a great resource for additional opening or changes to the schedule. If you have questions, concerns, or a great idea on how we can reach more people, please call the food bank at 207-512-6294. Sincerely,

Tom McNaughton
Windsor Food Bank

## 2021 ASSESSORS' AGENT REPORT

At each annual tax commitment Maine Assessors are required to equalize all property exemptions. This means that at times when the municipality's certified ratio is less than $100 \%$, the full value of the exemption is reduced. Maine Revenue Services determines the municipal ratio during their annual audit. The ratio is the average percent of sales prices compared to assessed values. If a property is assessed for $\$ 85,000$ but sells for $\$ 100,000$ then the ratio is $85 \%$ for that property. The average ratio of property sales over a period of time is used to determine the municipal ratio.

Assessors are allowed to certify a ratio within ten percent (10\%) of Maine Revenue Services determination. As an example, if Maine Revenue Services determines that the municipal ratio is $85 \%$ then the Assessors may declare a ratio between $77 \%$ and $94 \%$. If the Assessors chose a certified ratio of $90 \%$ then the just value of all exemptions are adjusted by the $90 \%$ ratio. The full value of the Maine Homestead Exemption is currently $\$ 25,000$. In a municipality with a certified ratio of $90 \%$, the Homestead Exemption is adjusted to $\$ 22,500(\$ 25,000 \times 90 \%=\$ 22,500)$. This is the reason why your exemptions on your tax bill may not be at full value.

Under current Maine law, for taxes assessed on April 1, 2021 the full value of the Homestead Exemption is $\$ 25,000$. To qualify for the Maine Homestead Exemption, you must be a legal resident of the State of Maine, have owned residential property in Maine for at least the past twelve months and the homestead must be your permanent place of residence. You can only claim the exemption for one property and cannot claim the exemption in any other state. When a property is sold, the exemption is removed, and the new homeowner must apply for the exemption. Applications must be filed by April 1 each year. Applications received after the filing date are not valid for the current year. Once your application has been approved, it is automatically renewed each year that you qualify for the exemption.

The full value Maine Veteran Property Tax Exemption is currently $\$ 6,000$. You qualify for an exemption if: 1) You served in the U.S. Armed Forces during a recognized war period or other recognized service period or you received an Armed Forces Expeditionary Medal; and 2) You will be at least 62 years old on April 1 or you are receiving a total disability pension from the U.S. Government. An important change was made to the Veteran's Exemption eligibility. The law eliminated the requirement that a veteran of the Vietnam War must have served on active duty for a period of more than 180 days. If you are a veteran of the Vietnam War who would otherwise qualify for the exemption in the past but did not because of the 180 days of service requirement, this change would allow you to apply for the Veteran Exemption.

All participants with parcels enrolled in the Maine Tree Growth Tax Program are required to submit a current forest management and harvest plan and file an application and Forest Type Map with the local assessor every ten years. If a piece of property enrolled in the Program was transferred, the new owner has one year from the date of transfer to comply with the provisions of the law. Landowners who fail to meet the requirements of the law are disqualified from classification and must be withdrawn from the program. The required withdrawal penalty must be assessed by the Town.

Forms for all property tax exemptions and additional information can be found at www.maine.gov/revenue/taxes/property-tax. They are also available at the Town Office during office hours.

The Assessors' Agent's schedule is available at the Town Office by the first of each month. If you would like to meet with me, please call the office to schedule an appointment.

I am thankful to your dedicated Town Office Staff for their assistance and to the Assessors for their support. Thank you for the opportunity to serve as your Assessors' Agent.

# INDEPENDENT AUDITORS REPORT 

## Board of Selectmen <br> Town of Windsor <br> Windsor, Maine

August 15, 2020

Report on the Financial Statements
I have audited the accompanying financial statements of the governmental activities and the major fund of Town of Windsor, Maine, as of and for the year ended June 30, 2020, and the related notes to the firancial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the Unites States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence $I$ have obtained is sufficient and appropriate to provide a basis for my audit opinions.

## Opinions

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Town of Windsor, Maine as of June 30, 2020, and the respective changes in financial position, and where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

## Other Matters

Required Supplementary Information

#### Abstract

Management has omitted Management's Discussion \& Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. My opinion of the basic financial statements is not affected by this missing information.

Accounting principles generally accepted in the Unites States of America require that the budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial staterents, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge I obtain during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Expenditures, and Changes in Fund Balances Of Govermmental Funds
to the Statement of Activities For the Year Ended June 30, 2020
Wet change in fund balances - total governmental funds
Anounts reported for governmental activities in the
Statement of Activities are different because:

Governmental funds report capital outlays as expenditures.
While governmental activities report depreciation expense to
allocate those expenditures over the life of the assets:
Depreciation expense
Capitalized asset purchases
Repayment of debt principal is an expenditure in the
governmental funds, but the repayment reduces long-term
liabilities in the statement of Net Position:
$\quad$ Capital bond obligation principal payments

Some expenses reported in the Statement of Activities do not require the use of current financial. resources and therefor are not reported as expenditures in governmental funds. They increase liabilities in the statement of Net Position

Change in net OPEB liability with deferred inflows and and outflows

Revenues in the statement of Activities that do not provide curcent financial resources are not reported as revenues in the funds
Deferred property tax revenue

## GAME SHOW

Due to the ongoing Coronavirus, we have unfortunately made the decision to postpone our annual "Take it or Leave it" fundraiser this year.

We appreciate the community support and participation, as well as the generosity of local businesses that have made this fundraiser a success for our Fire Department. We will certainly miss seeing our families and friends, but we look forward to having a bigger and better fundraiser in 2022.

The Windsor Historical Society has been active since 1973. Our mission is to gather, restore and display historical buildings and artifacts for the residents of Windsor and all those who attend Windsor Fair to enjoy. Our complex is comprised of more than ten antique buildings; most were built in Windsor or surrounding towns and later moved to the fairgrounds. The buildings are furnished with period artifacts and we offer demonstrations in many of them during Windsor Fair.

The postponement of the 2020 Windsor Fair allowed us to replace the museum foundation that was crumbling, the sawmill has a planer and planer knife sharpener restored to working condition and a broom factory is under construction in the carriage shed.

The Windsor Historical Society could not prosper without our volunteers and the donations we receive. We thank everyone who has donated time, artifacts and/or money, no matter how little or great that donation might be. However, we are faced with an aging membership and look to you, the residents of Windsor and surrounding towns to spread the word to those who might be interested to join our Society. We feel that the Windsor Historical Society is a leader in bridging the past with future and with your help, we will continue to grow.

Our monthly meetings are the second Wednesday of the month, April through November; they are held in the Malta Room on the fairgrounds, and all are welcome to attend.

In closing I ask that you visit our complex during the 2021 Windsor Fair. You can contact me if you want to volunteer in any of our activities. Monetary contributions may be mailed to PO Box 27 , Windsor, ME 04363.

# THE WINDSOR EDUCATIONAL FOUNDATION AND REED FUND 

February 1, 2020 to January 31, 2021

The Windsor Educational Foundation and Reed Fund originally started by T. D. Reed as the benefactor and the money from the interest of this donation are to be distributed for the educational benefit of the students of Windsor. The meetings are quarterly on the second Monday of January, April, July, and October at 6:00 p.m. at the Windsor Town Hall with the Annual Meeting being in January. The Board did not meet in April 2020 because of COVID-19 but was able to meet the remaining meetings. The 2020 Annual Report was completed and filed.

During the Annual Meeting on January 13, 2020 the Board of Directors appointed its members.

- A teacher or administrator - Heather Wilson, Principal Term Expires 6/30/2021
- Town Treasurer/Secretary - Theresa L. Haskell, Treasurer
- Board of Selectman
- Ronald F. Brann, Selectman
- Ray Chavarie, Public Member

At the January 11, 2021 meeting the Board voted to move $\$ 9,000.00$ from the Savings Account and add it to the Certificate of Deposit that was coming due in March 2021.

In the past year, the Board of Directors approved the following;

- The Board voted to purchase a program called "Foundations in Personal Finance" for the Middle School level in the amount of $\$ 500.00$. This is from Ramsey Education, which is owned by Dave Ramsey, a financial expert who started teaching adults how to handle their money. This program not only directly connects with several math common core standards, and it also connects with Maine Standards in Career Education Development, Economic Standards in Social Studies and National Standards in Financial Literacy. This program starts to develop students' understanding in financial literacy.
- The Board voted to approve the purchase of a USA Playground Map Stencil Set for up to $\$ 249.00$ which is to be placed out on the pavement where the students have recess.
- The Board voted to approve up to $\$ 450.00$ for the level 1, 2, 3 and 4 books from Pioneer Valley Books which consists of 14 sets for a total of 84 books. With having the First-Grade class of 33 students who lost 3 very critical months of their Kindergarten year they entered first grade at a lower reading level. They have a variety of leveled readers of books in her classroom now but do not have an adequate amount of the levels stated above. These students are in different stages of their literacy journey therefore having a great variety of leveled books is extremely important to allow for their success.
- The Board also voted to approve up to $\$ 160.00$ for sleds which will allow the kids great exercise during the winter months.

Dear Friends:
When I took the oath of office as Maine's 75th governor, I never imagined that we would face a deadly pandemic. But that is our reality, and it is my responsibility to guide our state through this time, to keep Maine people safe and healthy, and to put our economy on a path to recovery.

COVID-19 has wreaked havoc on our national economy, dealing heavy losses to businesses of all sizes, and leaving millions of people unemployed. Here in Maine it has taken the lives of hundreds of people and sickened many more. Since the arrival of the first vaccines in December 2020, we have been working to get as many shots into the arms of Maine people as quickly and efficiently as possible.

While our spirits are lifted and we share in a collective sense of relief, particularly for frontline health care workers who are exhausted and have been working around the clock to save lives, it will take months to administer the vaccine to all Maine people and we must keep our guard up. In the coming months, I look forwarded to working with you in fully opening our schools and businesses across the state. We will hasten our state's recovery if we wear our masks, watch our distance, avoid gatherings, and wash our hands.

My Administration, in collaboration with public health experts and business leaders across the state, developed a plan to gradually and safely restart Maine's economy. We also formed an Economic Recovery Committee charged with assessing the economic impacts of the pandemic on Maine's economy and providing recommendations for policy changes to deal with these impacts. Together, drawing on the hard work and resilience of Maine people, we will rebuild and strengthen our economy and rise from this unprecedented challenge to be a stronger, better state than ever.

I continue to be amazed by the strength and courage of the Maine people and businesses who have found different ways to do business and the brave first responders in your town and in our health care facilities. Thank you to the people of Maine who have demonstrated patience, kindness, and compassion during this difficult time.

Please take care,

Janet T. Mills
Governor

Dear Friends,
2020 has been a year of unconscionable loss and hardship. The COVID-19 pandemic has ravaged our nation, magnifying long-unaddressed inequities. I hear daily from constituents whose lives have been upended by the pandemic. As we navigate these ongoing challenges, my top priority in Congress has been to advocate for the resources Maine residents, businesses, and institutions need to weather this crisis.

In March, the CARES Act was signed into law, providing much-needed relief to Mainers, including expanded unemployment benefits, stimulus checks, grants and loans for small businesses and nonprofits, and funding for health care providers on the front lines of this crisis. As this crisis wore on, I saw increased need; that's why I voted for the Heroes Act in May and again in October to provide further support. I'm relieved we passed another relief package at the end of December, but I know another round of support is still much needed in the coming year.

The pandemic isn't the only crisis we face. Climate change threatens Maine's environment and industries. This summer, the Gulf of Maine recorded its hottest day, and we experienced the longest, most severe drought in 20 years. Maine farms continue to be stymied by climate change, but they can also play a crucial role in combatting it. In February, I introduced the Agriculture Resilience Act to ensure American agriculture is net-zero by 2045. The release of Maine's Climate Action Plan is a major step in the fight against climate change. I will continue to work with state leaders to ensure they have federal support to achieve this agenda.

2021 will offer different challenges. We must distribute a vaccine to millions, restore jobs, uplift the economy, and repair the divisions that undermine our ability to make meaningful change. I look forward to working with the incoming presidential administration to meet these challenges and emerge as a stronger, more resilient nation.

As always, the needs of Mainers guide my work as we recover from this crisis. If there is anything my office can do to help, please reach out.

Sincerely,

Chellie Pingree
Member of Congress

Dear Friends:
It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to reflect on 2020, an incredibly challenging year for Maine families, small businesses, and communities.

When the pandemic struck, our country faced the specter of an overwhelmed health care system and devastation to our small businesses and the millions of people they employ. I immediately worked with Republicans and Democrats to pass multiple laws allocating approximately $\$ 3$ trillion to respond to this public health and economic crisis, including more than $\$ 8$ billion directed to Maine to support testing, schools, the economy, and other purposes - that is nearly double Maine's annual state budget.

I am especially proud of the bipartisan Paycheck Protection Program (PPP) I co-authored. This program has provided three out of four Maine small businesses with nearly $\$ 2.3$ billion in forgivable loans, which has helped sustain more than 250,000 Maine jobs. I have met thousands of Maine small employers and employees in all 16 counties who are surviving because of the PPP. As one small business owner told me, the PPP provided "exactly what we needed at exactly the right time." The PPP also allowed employers to maintain benefits, such as health care, during this challenging time. Another round of PPP is needed to sustain small businesses and their employees.

While the pandemic continues across Maine, our nation, and the world, I thank the first responders, health care professionals, teachers, grocery store employees, factory workers, farmers, truck drivers, postal employees, and so many others who continue to stay on the job during this difficult time. With the deployment of the first vaccines, better tests, and the incredible speed with which these life-saving responses were developed, I am hopeful we can emerge from this crisis in the next few months.

While providing relief to American families was my focus throughout 2020, other accomplishments include the passage of the Great American Outdoors Act, which provides full funding of the Land and Water Conservation Fund and addresses the maintenance backlog at our national parks, forests, and wildlife refuges. As Chairman of the Transportation Appropriations Subcommittee, in 2020 alone, I secured $\$ 132$ million to improve Maine's roads, bridges, airports, buses, rail, ferries, and seaports. Finally, as Chairman of the Aging Committee, I led the reauthorization of the Older Americans Act, which funds programs that improve the well-being, independence, and health of our nation's seniors and their caregivers, and I authored laws to reduce the cost of prescription drugs and protect individuals with Alzheimer's disease.

As the end of 2020 is approaching, I have cast more than 7,535 votes, never having missed one. In the New Year, my focus remains to work with colleagues to find common ground on policies to help support the health and safety of Mainers and the safe, responsible opening of our communities. If ever I or my staff can be of assistance to you, please do not hesitate to contact one of my state offices. May the coming year be a successful one for you, your family, your community, and our state.

# United States Senate <br> WASHINGTON, DC 20510 

January 1, 2021
Dear Friends,
2020 was a year unlike any in our lifetimes. Our state and nation dealt with unprecedented challenges--the coronavirus pandemic, ensuing economic fallout, and a prolonged, heavily divisive campaign season each took a significant toll on all of us. The worst part? In order to protect each other, we had to face these challenges in isolation. But a new year represents new possibilities; a chance to take stock of what we're grateful for and focus on the opportunities in front of us. As we reflect back on 2020, we will remember heartbreak and loss - but we cannot forget the shining rays of hope that broke through the darkness, reminding us all that better days are ahead.

Throughout the pandemic, my top focus has been on bridging the partisan divide in Washington in order to deliver desperately-needed relief for Maine people. Joined by colleagues last March, we pushed for bipartisan negotiations to produce a strong bill that helped fellow Mainers, businesses, and institutions weather this storm. In the weeks and months after the CARES Act passed, our team stayed in close contact with people throughout the state to determine how we should adjust our response to best support our citizens. Unfortunately, the aid provided by the CARES Act lapsed without Congressional action, leaving too many families and businesses in limbo. I never stopped pushing for a bipartisan relief bill and, after extensive negotiations, we ended the year on a good note by breaking the gridlock and passing new relief legislation. This new bill isn't perfect; in fact, it should just be the start our renewed response. As we enter 2021 with a new administration and new Congress, we must fight for additional legislation to help restore stability to our working families and rebuild our economy and public health infrastructure.

In the midst of this crisis, Congress did manage to accomplish a few successes that will outlast this awful pandemic. Among these was the Great American Outdoors Act, a bipartisan bill which was enacted into law in August 2020 and will help address a $\$ 12$ billion backlog at our national parks so future generations of Americans can enjoy these beautiful lands and create lifelong memories. Also, as we learn more about the recent hacks of our nation's networks, there is help on the way: 27 of the cybersecurity recommendations made by the Cyberspace Solarium Commission - which I co-chair with Republican Congressman Mike Gallagher- made it into this year's defense bill. While there is no guarantee that these provisions would have prevented the massive hack, they will certainly improve our cyber defenses.

Despite the challenges, I'm hopeful for the future. Vaccines are being distributed across our state starting with our healthcare heroes, who have sacrificed so much throughout this unprecedented catastrophe and deserve our eternal gratitude. If there can be a silver lining from these challenges of 2020, maybe it will be this: I hope that, in the not-so distant future, we will be able to come together physically and we will be reminded of our love for each other. We have differences, without a doubt. But as Maine people stepped up to support each other, we saw again and again that our differences pale in comparison to the values we share. We are one state, and one community - and there is nothing we cannot or will not do for each other. Mary and I wish you a happy and healthy 2021. We can't wait to see you soon.

Dear Neighbors in Windsor,

Thank you for the opportunity to represent you in the Maine Senate; I am truly humbled that you have chosen me to be your voice in Augusta, especially during this unprecedented time.

Since the pandemic arrived in Maine in March 2020, we have been faced with many challenges that few of us could have predicted. This public health crisis has brought with it economic and personal consequences that have touched every person in our state. Though there is hope that a vaccine means we are nearing the end of the worst of the pandemic, our challenges are far from over. The next couple of years will be critical to building a path forward into a bright future for our state.

In the Legislature, I have been appointed to serve on the Marine Resources Committee and the Agriculture, Conservation and Forestry Committee. I am excited work on these committees, which directly impact life for so many in our communities. These committees oversee matters that involve many of our heritage industries, including farming and fishing, and we know that the coming years will present these industries with real challenges if we do not prepare. These industries are critical to our culture and our economy. We need to be proactive in finding ways they can continue to operate and grow sustainably in a changing climate. Maine's natural resources are absolutely essential to our way of life and protecting them is our responsibility.

Over the next couple of years, I look forward to working on these important issues and more. The pandemic has highlighted several areas where we have made progress in recent years, but we also see that we must keep working to improve. All Mainers need access to quality health care and to reliable, highspeed internet, which has become a necessity. We must also support the workers and small businesses, which form the backbone of our economy, as we strive to rebuild in the coming years.

I know many in our community are still struggling, and I want to remind you that I'm here as a resource for you and your family. If you need help securing unemployment benefits, putting food on the table, connecting with a state agency, or just want to talk something through, I'm here to help. You can email me at Chloe.Maxmin@legislature.maine.gov or call me on my cell phone (207) 200-6224. I really mean it when I say reach out anytime.

These difficult times are going to require cooperation and creativity from all of us. I am committed to working with and for everyone in our community, listening to all perspectives, and finding common ground to heal our state.

Sincerely,

Chloe Maxmin

Dear Friends and Neighbors,
It is an honor to serve the residents of House District \#80 in the Maine Legislature. I take this responsibility incredibly seriously and I look forward to helping you in any way I can.

As you are well aware, this past year has brought unprecedented challenges to our country, the State of Maine and in our own communities.

I am very often reminded of how fortunate we are to be residents in an area where values and trust are paramount. Friends and neighbors look out for each other while we continue to support those that need it most.

While I serve on the Joint Standing Committee on Labor and Housing, the most immediate work will involve tough economic choices as we develop the next biennium budget covering fiscal years 2022 and 2023.

I encourage you to actively participate in your state government. Meetings and hearings are now even more accessible by using the homepage of the Maine Legislature:
Legislature.Maine.Gov. I also send a weekly email with current state news. If you'd like to receive these updates, please contact me at Dick.Bradstreet@legislature.maine.gov.

Again, thank you for the opportunity to serve you in Augusta. Please stay safe and healthy.

Sincerely,

January 4, 2021

The Kennebec County Sheriff's Office is pleased to make the following report regarding the services we provided to the people of Kennebec County in 2020. These services include the Law Enforcement Division, Corrections' Services, Civil Process, Court and Transport Division. We provided many regional assets to our communities including, Two K-9 Teams, Dive Team, Sex Offender Registry, Veterans Advocacy, Accident Reconstruction and Drug Recognition Experts(DRE).

I would like to begin by saying that 2020 was certainly a challenging and unusual year for all of us. COVID - 19 changed all of our lifestyles and daily activities. It did not, however, change the fact that your Sheriff's Office continued to respond to calls for service as well as caring for the inmates incarcerated at our facility. In other words, it was business as usual for my staff. We just went about it a little differently.

In 2020, Law Enforcement Deputies in full-time and part-time capacity logged thousands of calls for service. There was a brief time of about three months from the middle of March to about the middle of June when calls for service were actually down, likely due to the COVID-19 outbreak. It was a welcome relief, as the threat of the viral infection was yet another caution our Deputies added to their daily routine.

Thanks to the Stanton Foundation, Kennebec received a $\$ 25,000.00$ grant to purchase another K-9. That grant paid for the dog (Brock) and all associated equipment training for Brocks handler, Deputy Zack Carey.

Since the beginning of the year, four new full-time patrol deputies have joined our ranks due to resignations or expansion of the division. Due to the State Police reducing their commitment to our call-sharing agreement, the Sheriff's Office has increased its patrol staff by three members.

The patrol division welcomes Phil Lynch, Brandon Van Wyk, Jordan Gaudet and Nathan Johnson. Deputy Lynch was a part time reserve deputy already working with us. Deputy Van Wyk came to us from the correctional division and Jordan Gaudet and Nathan Johnson were already certified full time officers and came to us from Hallowell PD. We will be bringing on two new deputies in January of 2021 to fill our roster.

Our Civil Process Deputies serve legal documents on behalf of attorneys, the courts, citizens, local, and state government, landlords and other entities. In 2020, the three civil deputies received over 6,876 requests for service in Kennebec County. Some of the services include, civil summons \& complaints, foreclosures, evictions, small claims, child support notices from the State and enforcement of court orders and writs to name a few.

During the past year, our Correctional Facility managed 1920 inmate intakes. The offenses committed by defendants included everything from Trespass to Homicide. Substance abuse and the proper treatment of citizens with mental illness continue to be two primary concerns at the Correctional Facility.

Inmates at the Kennebec County Correctional Facility are asked to work and earn time off their sentences if applicable. Inmates who are considered to be a risk to the community work inside the facility cleaning and cooking, while others are supervised on outside projects. One may think that this only benefits the county, but it does not. It also benefits the inmate population as well.

We are committed to providing innovative programs to reduce crimes, assist victims, and to provide enhanced public safety. We acknowledge the ever-growing opiate addiction problem nationwide and have committed to partnerships at the Federal, State and Local levels to combat this problem. Our approach is aggressive enforcement, education, treatment and recovery for those afflicted with this horrible addiction.

I would like to thank all of my administrative staff who support the patrol division, detective division, correctional division and the civil deputies. The copious amounts of paperwork that is handled by these individuals is staggering and their work is greatly appreciated. Job well done by all.

As your Sheriff, and moving forward into 2021, my focus will remain steadfast in serving the people of Kennebec County and our visitor's.

Ken Mason, Sheriff

## Service Report - Windsor 2020

Delta Ambulance, founded in 1972, is the leading provider of high quality, compassionate emergency services and medical transportation in central Maine. Our superior training, experience and state-of-the-art medical technology sets us apart from other ambulance services.

We are pleased to be able to provide emergency Paramedic care to the people of Windsor and to continue supporting your First Response Rescue at no cost to your community. As a regional, community-based organization, we continue to fund our operations solely by reimbursement directly from the patient and the patient's insurance. This is currently possible due to our economy of scale. A significant portion of our patient charges, annually, are written off as charitable giving to the uninsured and underinsured. Additionally, we continue to support community events throughout our coverage area.

According to state data, in 2020 (January 1 - December 31), we responded to over 19,000 911-calls, 205 of which were in Windsor. Additionally, we serve your community by regularly providing non-emergency care and transfer services for patients as well as standby for fire calls.

Our average response times, the time between our receipt of the call and our arrival, for delivery of paramedic care was 13.8 minutes for emergencies. On $54 \%$ of the calls we arrived on-scene in 15 minutes or less.

Paramedic care is the highest level of Pre-Hospital care available. Our Paramedics exceed State Standards for recertification and respond with the latest medical technology available including 12 lead EKG and pharmaceutical interventions. Our care is reviewed in our Continuing Quality Improvement (CQI) program, which is recognized as a leading process in Maine.

Our support for your Rescue Services continues to include continuing medical/rescue education and on-scene replacement of medical supplies used on the call, all at no cost to the town.

January 2021
Dear Residents of Windsor,
As we approach one year with this pandemic, a disaster that changed everything, we are hopeful for the promise of a safer, healthier, and brighter 2021. The new year will be challenging, too, as COVID-19 continues its assault on so many lives. Still, our response to the circumstances and the lessons learned strengthen our resolve to emerge from this crisis a stronger and even better Erskine Academy.

This year like no other turned our world upside down and inside out. With insufficient notice to prepare, every aspect of our educational approach was affected, dramatically changing schooling as we know it. Although COVID-19 substantially violated our norms, our purpose, goals, and values remain intact. The expectations, pressures, and stressors of this time were met by retraining, retooling, reconfiguring our physical space, adhering vigilantly to health and safety measures, and investing in protective factors such as PPE, ventilation and air filtration systems, technology, and software. This is how we were able to return to school, and this is how we are now able to stay in school one good school day at a time.

Even in this altered school year, Erskine Academy's $138^{\text {th }}$, we continued to be your chosen high school that combines an independent education with the democratic ideal of a quality education for all. Our core valuesScholarship, Leadership, Stewardship, and Relationships-were at work to produce results and deliver the highest educational experience possible while mitigating coronavirus risks. We focused our efforts on improving our school, expanding opportunities for learning in and out of the classroom, and accelerating student achievement. A few facts about Erskine Academy today attest to our vitality and value:
(4) With 536 students in grades nine through twelve, we are the largest town academy in Maine to serve a nearly $100 \%$ local student body on a $100 \%$ school choice basis
(4) A 13:1 professional teacher to student ratio
(4) A 98\% four-year graduation rate
(4) A dropout rate of less than one percent
(4) Of 147 graduates in 2020, $80 \%$ were accepted to higher or continuing education (now an eight-year trend), many to highly selective colleges and universities

Having no enrollment contracts with any community for a whole or portion of their high schoolers, we operate independently and exclusively on a school choice basis. Though independent, we commit to our publiclyfunded students by admitting all students from our eight sending towns who have completed the eighth grade and can benefit from our programs. Over $60 \%$ of the students from our collective eight sending towns choose to attend Erskine Academy, a trend for many years.

Regardless of differences in residence, prior learning, interests, abilities, or personal circumstances and backgrounds, here, all of our students matter and belong. All who attend here experience a school program that blends traditional values with new programs and best practices to become the most academically and personally prepared young people in our region.

We have always considered industry certificates, two-year degrees, apprenticeships, and military service as higher or continuing education and, as such, viable pursuits. Therefore, we have created and sustained a comprehensive academic program to reflect and facilitate access to these and four-year degree programs. We
are also one of the few high schools in the state to continue to offer shop and industrial arts, family and consumer economics, and business courses for exposure and entry-level work.

Staffed by three teachers and two educational technicians, Erskine's Special Education program educates and provides specialized support to students eligible for such services through an Individual Education Plan (IEP). Valuing all students and believing they deserve a welcoming school and professional teachers who will build on their strengths, $33 \%$ of our students receive academic assistance or special education services to support their learning.

As an eight-year MELMAC Education Foundation school, we increased students' preparedness and aspirations for continuing their education beyond high school, reduced barriers to accessing their higher education, and significantly reduced their need to take remedial courses. Our guidance program and counselors were again recognized by the Finance Authority of Maine (FAME) for having $64 \%$ of graduating seniors complete the Free Application for Federal Student Aid (FAFSA), which is the highest completion rate among the region's largest high schools (those with 100 or more seniors).

Now in its tenth year, our Jobs for Maine Graduates (JMG) program has increased student exposure to various forms of higher education and vocational trades programs and has taught essential work seeking, training, and employment retention skills. With 64 students pursuing a certificate in a craft or trade at the Capital Area Technical Center, our enrollment is second only to its host, Cony High School.

Last year, 113 students enrolled in one or more of our available 23 Advanced Placement courses; 315 students took at least one (the majority take an average of two) of our 19 dual enrollment courses with nearby colleges, including Kennebec Valley Community College, Thomas College, the University of Maine, the Univerity of Maine at Farmington, Eastern Maine Community College, the University of Maine at Augusta, and Husson University taught here by our teachers. For their efforts in these early college experiences, nearly one-half of our graduates earned college credits while in high school; 303 of the 315 classes taken received college credit, collectively saving an estimated $\$ 279,972$ in college tuition at the University of Maine rate.

Through our International Student Program and American Field Service (AFS) club, our students develop understanding and interpersonal skills for living more globally and interdependently in a culturally diverse world. For a ninth time, AFS students made a humanitarian trip to Costa Rica to build homes for impoverished families. Eye-opening experiences such as these fire the heart and mind and inspire our students to look beyond EA and the familiar to a world that truly needs them.

With $27 \%$ of our students receiving free and reduced breakfast and lunch, our student body is socioeconomically diverse. As is the case for many Maine schools, our most vulnerable students live and learn in poverty. Inspired by twice winning WGME 13/Fox 23's School Spirit Challenge and raising a recordbreaking 281,696 pounds of food for the Good Shepherd Food Bank of Maine and our local food pantries, we established a school-based food, clothing, and supplies cupboard. Supported by fundraisers and donations, we continue to operate the "Eagles Nest," an open-access food pantry and backpack program from which students can obtain food after school and for weekends. Finally, this year we qualified for the state's Extended Summer Feeding Program, ensuring students' access to tray breakfasts and lunches at no cost to them through June 2021.

Other examples of our school community's goodwill include our twelfth community Cancer Walk that yielded \$6,700 for Maine General Medical Center's Alfond Center, bringing our historical contributions to over $\$ 50,000$; we contributed thousands of hours to community service and raised substantial funds for important causes such as the Home for Little Wanders, the Ronald McDonald House, the Center for Grieving Children, and the United Way's Day of Caring. Through volunteerism and stewardship, we engage meaningfully with our communities and experience giving back with appreciation and humility.

School safety is of utmost priority. Last year we conducted a second round of schoolwide training in ALICE (Alert, Lockdown, Inform, Counter, Evacuation), an enhanced safety program of age and ability appropriate, options-based strategies to use in the event of a violent intrusion on the school. Staff and student training included eLearning and advisory sessions, physical exercises, and the conducting of active-shooter drills facilitated by administrators in cooperation with officers from the Maine State Police and the Kennebec County Sheriff's Department. As a result of this training, students report feeling more confident and better equipped to respond to a significant, violent assault on themselves or their school. Subsequently, we are one of ten Maine schools, and the only school in Kennebec County, to be an ALICE Certified Organization.

Since our founding in 1883, Erskine Academy has remained true to its mission while evolving to meet new demands, challenges, and uncertainties. Pursuing excellence and implementing our mission are continuous works in progress, as was affirmed by our accrediting agency, The New England Association of Schools and Colleges, Inc. (NEASC), who, in response to our five-year report states, "...the Commission wishes to note the level of attention which the school gives its students. You have developed a truly extensive and effective program-one that is singularly focused on students maximizing their experience and on the post-secondary experiences available to them."

This traumatic year reminds us that relationships are the glue to keep us together. We have heartfelt gratitude for our alumni and friends who believe strongly enough in our values and results to give their time, talents, and financial donations. Their support enables us to invest in programs and enhancements that state-set tuition alone cannot and raises the expectations we have for ourselves.

We are grateful to our students, families, and sending communities for their confidence in and support for Erskine Academy. Together, we create a school and heritage that adheres to what we know is right and good for our young people and aids them in establishing a strong start for adulthood.

To our students and families, while teaching and learning will continue to be different for the foreseeable future, be assured that the faculty and staff recognize the losses to your school life from the effects of COVID-19. In that recognition, we find our responsibility to provide you with nearly the Erskine experience enjoyed by generations of students before you. We all wish this thing were done, and it will be. In the meantime, take comfort in the spirit and dedication of our teachers and staff, the frontline workers in your education, who are taking care of our school, students, families, and each other.

Thank you, Windsor residents, for sustaining high school choice for your young people and families, an opportunity for learning available to only $3 \%$ of Maine students, despite two-thirds of voters agreeing that school choice programs should be open to all. Those families who have exercised that choice to attend Erskine Academy-entrusting us with their children's intellectual and personal development-inspire, honor, and motivate us to make an excellent school even better. In partnership and engagement with you, we look forward to new challenges and accomplishments in the year ahead.

Onward Erskine!

Dear Citizens of Windsor,

The 2020-2021 school year has been a challenging one at Windsor Elementary School and in RSU 12 due to the COVID19 Pandemic. However, Windsor and RSU 12 staff, and the school community have risen to the challenge. They have created safe spaces for student learning. Educators and the community have come together with compassion, innovation, and energy to create a learning environment for students. We have been fortunate to offer in-person learning for our students five days a
 week since the beginning of the school year while following the safety protocols required by the Maine Department of Education.

The RSU 12 School Board of Directors has been an integral part of our success this year. Windsor has three members on the school board. There is one new board member from Windsor this year and two returning board members. Ryan Carver has joined board members Kim Hutchinson and Monique Crummett this year. They are all working with the other members of the board to address the issues that impact the schools of RSU 12 during this unique time. The commitments and dedication of all board members are greatly appreciated. Their efforts and expertise have helped RSU 12 and Windsor Elementary School navigate these uncharted waters.

The advent of the 2020-2021 school year brought several new staff members to Windsor Elementary School. Wendy Simpson was selected to replace Helen Beesley as a middle school ELA teacher. Helen had held that position for many years and was well recognized in the Windsor community for her distinguished commitment to the town's children. Another beloved teacher, Helen Williams retired last year as well after a long and dedicated career in our school. Niki Mathews was selected to fill her spot, joining Ms. Simpson in the middle school ELA program. Jennifer Farnsworth joins us in our Pre-K program as an Educational Technician, and Jessica Mosher has joined us as an Educational Technician. We are grateful for our luck in finding all four recent hires; they all come to us with exceptional experience. Chrissy Gove joined our staff as a night custodian, and Gary Clark has become a permanent bus driver after subbing for us last year. Again, we are fortunate to have found such positive staff members to add to our school community.

The development of the 2021-2022 RSU 12 school budget is in its final stages. We received information about the state education subsidy for the fiscal year 2022. This information was released in February and we have had to adjust to the impact of RSU 12's $\$ 369,926.77$ significant loss in state subsidy. This is a staggering $3.93 \%$ loss in subsidy. For comparison, education subsidy generally keeps pace with inflation and averages a $1-2 \%$ increase per year. This loss in subsidy was mostly due to a $7 \%$ drop in the RSU 12 student count. The effect of this loss can not be overstated. RSU 12 must still pay tuition for all tuition students throughout the district so the resulting reductions will take place PK-8. There is some relief as the latest round of COVID relief funds may be used to maintain current staffing and programs until subsidy recovers in future years.

The RSU 12 student count districtwide is down about 7\% due to COVID-19 which impacted district subsidy significantly. We are budgeting with anticipation and hope that students will return to all in-person learning next year. We are hopeful that this comes to be. Finalized information about the budget will be available on our website in early May.

A referendum vote on the school budget will take place on June 8th. You can learn more about our schools and our budget process through our website at www.svrsu.org or by speaking with our staff and members of the RSU 12 Board of Directors. RSU 12 and the Windsor community continue to work together to provide creative and inspiring educational opportunities for our students.

Sincerely,

Heather Wilson
Windsor Elementary School Principal

# THE TOWN OF WINDSOR ANNUAL TOWN MEETING WARRANT 

Tuesday, June 8, 2021
Wednesday, June 9, 2021

To: $\qquad$ , resident of the Town of Windsor, in the County of Kennebec:

## GREETINGS:

In the Name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Windsor, qualified by law to vote in Windsor affairs, to meet at the WINDSOR ELEMENTARY SCHOOL, in said Town of Windsor on TUESDAY, the EIGHTH day of JUNE 2021 A.D. at 8:00 a.m. in the morning, then and there to act on Article 1 and Articles 2 are going to be voted upon at the polls by secret ballot. The Polls shall be opened at 8:00 a.m. and closed at 8:00 p.m. Absentee ballots will be processed at 10:00 a.m. and 2:00 p.m.

And, to notify and warn said inhabitants to meet at the WINDSOR ELEMENTARY SCHOOL in said Town of Windsor on WEDNESDAY the NINTH day of JUNE 2021 A.D. at 6:30 p.m. and then and there to act on Articles 3 through 35 will be voted on at the open Town Meeting;

All articles being set out below to wit:
ARTICLE 1. ELECTION OF MODERATOR: To elect a moderator to preside at said meeting.
ARTICLE 2. ELECTION OF TOWN OFFICIALS: To elect all necessary Town of Windsor Officers/Officials by Secret Ballot.

Articles 3 through 13 Deal with Tax \& Fiscal Administrations
ARTICLE 3. TAX ADMINISTRATION: To see what method the Inhabitants of the Town of Windsor will adopt for collection of taxes in FY2022.
A. The payments, as stated on the bills, shall be due and payable on September 30, 2021 and March 31, 2022 or as otherwise approved by the Board of Selectmen because of COVID-19 (Coronavirus).
B. The Tax Collector shall accept no advance payments, except as provided in section $C$ below before commitment of taxes.
C. The Town will treat all overpayment of taxes as prepayments on next year's taxes pursuant to 36 MRSA §506 and shall pay no interest on such payments.
D. The Town will pay interest at the rate of $3.0 \%$ per annum on abated taxes for any period, pursuant to 36 MRSA §506-A.
E. Charge interest at the rate of $6.0 \%$ per annum, on any taxes owed after the due dates.
F. The Town Report will list all taxes outstanding as of April 1, 2022.
G. Administration of Tax Acquired Property:

1. Authorize the Board of Selectmen to dispose of tax acquired property as they shall deem to be necessary and in the best interests of the Town, except that the Board of Selectmen shall use the special sale process required by 36 M.R.S. § $943-\mathrm{C}$ for qualifying homestead property if they choose to sell it to anyone other than the former owner(s).
2. Authorize the Board of Selectmen to execute and deliver quit claim deeds, without covenant, for the conveyance of such property.
3. Give delinquent taxpayers a thirty (30) day grace period in which to buy back their property upon payment of all taxes, liens, interest, and other applicable costs.

## SELECTMEN RECOMMENDS PASSAGE (5-0-0) BUDGET COMMITTEE RECOMMENDS PASSAGE (7-0-0)

ARTICLE 4. ESTABLISHMENT OF TAX CLUB: To see if the Town will vote to authorize the Tax Collector to enter into a standard agreement with taxpayers establishing a "tax club" payment plan for property taxes, whereby:
A. The taxpayer agrees to pay specified monthly payments to the Town based on his/her estimated and/or actual tax obligation for the current year property taxes;
B. The Town agrees not to charge interest on timely payments made pursuant to the tax club agreement (which is the same as in Article 3 C);
C. The Town authorizes the Tax Collector to accept tax club payments for current taxes which may be due prior to the commitment of those taxes;
D. The agreement is automatically terminated if a scheduled payment is late, and the taxpayer then becomes subject to the same due date(s) and interest date(s) and rate as other taxpayers who are not participating in a tax club;
E. Only taxpayers who do not have outstanding tax obligations for prior tax years are eligible to participate in the tax club program; and
F. Taxpayers wishing to participate in a tax club for a particular property tax year shall enter into an agreement with the Town by a publicly advertised deadline determined by the Tax Collector.

## Notice of Rabies Clinic

The Windsor Voluntary Fire Department will "NOT" be sponsoring a Rabies Clinic at the Windsor Fire Station until further notice. You can contact your local Tractor Supply Store and ask about PetVet for your pet's vaccination needs.
All dog owners are reminded that dog licenses expire at the end of each calendar year and should be renewed at the earliest possible date.

New tags are available by the middle of October.
A rabies certificate is good for three (3) years, (unless it's the $1^{1 s t}$ rabies shot) and owners must bring a current certificate to the Town Clerk, as well as the spaying/neutering certificate if applicable, when they wish to renew their pet's license.
