

**THE TOWN OF WINDSOR  
SPECIAL TOWN MEETING WARRANT MINUTES  
Thursday, April 14, 2022**

*Ray Bates opened the meeting at 6:00 p.m. Thursday, April 14, 2022, with the Pledge of Allegiance.*

**ARTICLE 1. ELECTION OF MODERATOR:** To elect a moderator to preside at said meeting. **Carol Chavarie made a motion to elect F. Gerard Nault as Moderator seconded by Theresa Haskell and approved 26-0-0.**

**ARTICLE 2.** Shall an ordinance entitled “Utility Scale Solar Facilities Moratorium Ordinance” be enacted?

There was much discussion regarding how these solar farms will be maintained and decommissioned. All of which can be outlined in the Ordinance when written. There was a question if the Town can say “No” to allowing the solar farms to be built. Since there is no Zoning Ordinance the Town can not deny residents to allow solar farms. With the Utility Scale Solar Facilities Moratorium Ordinance in place this will allow the Town of Windsor 180 days to produce guidelines for any future farms. **Carol Chavarie made a motion to adopt the Utility Scale Solar Facilities Moratorium Ordinance seconded by Moira Teekema and approved 26-0-0.** The Windsor Town Residents are encouraged to attend the upcoming Planning Board Meetings to discuss any issues or concerns with the Utility Scale Solar Facilities Ordinance. The next Planning Board Meeting is Monday, May 2, 2022 at 7:00 p.m.

F. Gerard Nault adjourned the meeting at 7:00 p.m.

Respectfully submitted,

Kyoko Roderick  
Select Board Secretary
