

The Town of Windsor has hired **KRT Appraisal** to perform a full revaluation, which includes on-site visits of all properties.

The Data Collector will be visiting your area within the next 45 days to verify interior and exterior information on your property record card.

The Data Collector will have photo identification, an introduction letter signed by a city official, an Assessor's Office magnet on their car and have their vehicle registered with the police department. Photos of the Data Collectors will be available at the websites below. If you have any questions or concerns, please contact us at (207) 445-2998.

Additional information can be found at www.krtappraisal.com/dist/Windsor.html or the town's website found at www.Windsor.me.gov.
