Update to Relevant Ordinances

- Recycling Ordinance
- Town of Windsor Dump Ordinance

Changes to be discussed for each ordinance to update language and policy from the old documents

- Ongoing.

To be presented to KVCOG representative Joel for review.

Then new ordinance to be presented to the Selectboard for the Town of Windsor to review, then voted on by the residents of the Town of Windsor.

Windsor Fairgrounds Association Participation and Compost Site Consideration

Meeting of the Executive Board of The Windsor Fair Association on Zoom May 31, 2023. Tom Foster will discuss this proposal and information to the members. A vote to be made to accept proposition being considered for Composting Initiative. If approved a document will be presented with this approval from The Board of Trustees for The Windsor Fair Association to the Town of Windsor.

Theresa to email project and maps to Tom Foster to present at meeting.

- Mark King and Mike Parker from DEP
Reviewed from Google Earth and in-person mapping of area considered for compost piles
- Asphalt Pad of 40x40 proposed and mapped
- Providing pails to residents (25 for trial run)
- Container for Resident drop-off. Once full, this will be brought to the manure pile and placed inside via the loaf method, to be turned weekly
- Discussion of what to do with finished compost - sale or free to residents?
- Work out a way to obtain manure from The Windsor Fair Association

- Sean proposed manure from residential equestrian facilities

Discussion of surveys to be presented by Emmett Appel and another student along with continued discussion with residents for Compost Initiative. All surveys collected on-site and are anonymous. Surveys also available at Windsor Town Office. Collection by Transfer Station Supervisor.
