

## VA Health Care - Information on log in to VA portal

### Can I still use a DS Logon or MY HealtheVet account to sign in?

Yes. At this time, you can use your **DS Logon** or **My HealtheVet** account to sign in to manage your VA benefits and health care online. But to manage certain tasks and information on VA.gov, you'll need to create a **Login.gov** or **ID.me** account and verify your identity.

We do encourage you to create a **Login.gov** or **ID.me** account now.

After **January 31, 2025**, you won't be able to sign in with a **My HealtheVet** user ID and password.

After **September 30, 2025**, you won't be able to sign in with a **DS Logon** username and password.

You'll then have 2 options to sign in to VA.gov, VA mobile apps, and other VA online services: **Login.gov** or **ID.me**. Create your new account now so you have time to get support if you need help setting it up and time to get used to using your new account before this change.
